SUMMARY

Experienced Azure Integration Engineer/Developer with 2 years of expertise in designing, implementing, and maintaining integration solutions using Azure Logic Apps. Skilled in collaborating with cross-functional teams to analyze requirements and deliver scalable solutions aligned with business objectives. Proficient in Azure services and integration technologies, with a track record of optimizing workflows and enhancing system reliability.

EXPERIENCE

PraVyuha Tech Solutions LLP — Chennai
Azure Integration Developer — 07/2023 - 01/2024

- Specializing in the design, development, and implementation of integration solutions using Azure Logic Apps to automate business processes and workflows.
- Collaborated closely with stakeholders to gather requirements, analyze integration needs, and design scalable solutions aligned with business objectives.
- Utilized Azure Logic Apps connectors and custom APIs to seamlessly integrate various systems and applications, ensuring data consistency and system interoperability.
- Implemented error handling mechanisms and monitoring solutions to proactively identify and resolve integration issues, minimizing downtime and improving system reliability.

NextGen Healthcare India Private Limited — Bangalore
Azure Integration Engineer — 09/2021 - 05/2023

- Designed, developed, and maintained integration solutions using Azure Logic Apps to streamline business processes and enhance system interoperability.
- Worked closely with cross-functional teams to gather requirements, design integration workflows, and implement scalable solutions tailored to business needs.
- Implemented error handling and monitoring mechanisms to ensure the reliability and performance of integration workflows, minimizing disruptions to business operations.
- Conducted troubleshooting and debugging of integration issues to identify root causes and implement effective resolutions.
- Collaborated with stakeholders to document integration processes, technical specifications, and user guides.

SKILLS

Azure Services:
Azure Logic Apps • Azure Functions • Azure Service Bus • Azure Event Grid • Azure API Management • Azure Storage Account • Maps • Schemas • Publishers • Subscribers • Data operations • Data Formats

Development Tools: Visual Studio, Azure Portal, Postman,BizTalk

Integration Technologies: JSON, XML

Databases: SQL, MySQL, Oracle

Programming Languages: Python, C Programming

Version Control: Git

EDUCATION

Bachelor of Technology in Computer Science and Engineering
Siddharth Institute of Engineering & Technology, CGPA : 8.75 — 08/2017 - 08/2021

Intermediate
Sri Chaitanya Junior College , CGPA: 9.3 — 06/2015 - 06/2017

Secondary School Certificate (SSC)
Zilla Parishath High Schools, CGPA : 8.3 — 06/2014 - 05/2015
