CAREER OBJECTIVE

Passionate and results-driven team leader and software developer with over two years of experience in product development. Eager to transition into the dynamic field of data science, leveraging my technical expertise, problem-solving skills, and enthusiasm to contribute to innovative solutions.

KEY SKILLS AND TOOLS

- C, HTML, CSS, Python, Django, DRF, ORM, My SQL, MS SQL, NumPy, Pandas, Machine Learning
- Basic Linux, Ajax, jQuery, MS word, Basic MS Excel, MS Power BI

EXPERIENCE

Sugi Infotech Private Limited

Jul '21 – Dec '23

Software Developer

- Coordinated quality testing with assurance team and focused on resolving defects.
- Developed quality assurance procedures to minimize coding errors.
- Wrote efficient, reusable, testable, and scalable code.
- Understood, analyzed, and implemented business needs, feature modification requests, and conversion into software components.

PROJECTS

ISO Tracker | Developer

ISO Tracker is a cloud-based software platform with a modular structure, designed to streamline cross-organizational processes related to quality, compliance, and content management. It offers seamless compliance with various quality management standards, including ISO 9001 and similar frameworks. Technology: HTML, jQuery, Python, Django, Ajax, MySQL Database

Customer Churn Prediction using Machine Learning

Implemented Machine Learning techniques to predict customer churn, enhancing retention strategies and minimizing customer attrition.

Adventure Work Sales Analysis with Power BI

Conducted a comprehensive sales analysis for Adventure Works using Power BI, providing actionable insights and visualization of key performance indicators.

Sales Forecasting for Walmart & Online Retail using Machine Learning

Utilized machine learning algorithms to analyze Walmart and Online Retail data, forecasting sales trends and identifying patterns for informed decision-making.

INTERNSHIPS AND WORKSHOPS

- Internship at "Phenoix Softtech" on programming in Python | 13/07/2019 - 27/07/2019
- Internship at "Bharat Sanchar Nigam Limited" on Broadband Technician | 18/12/2018 - 02/02/2018
- Workshop participated at "IIT Madras Research Park" on Arduino | 5/8/2018
- Completed course on "NPTEL Online" in Digital Circuits with a consolidated score of 79% | 01/06/2018 - 31/10/2018

EDUCATION AND CERTIFICATIONS

- PGP in Data Science and Machine Learning | Intellipaat and MITxMicroMasters
- BE Electronics and Communication Engineering | Sethu Institute of Technology | 2021 | CGPA: 9.04

ACHIEVEMENTS AND EXTRA-CURRICULAR ACTIVITIES

- Third prize in the "Startup Ideas-Plan Contest-2020" for innovative project | 24/02/2020
- Active member of Rotaract Club | 07/09/2018
- Participated and presented paper at National Level Technical Symposium on "Electronics and Communication Engineering." | 25/08/2018
