19/03/2018 To 3/06/2020	Protolabz Esevices	Developer	PHP
25/03/2020 To 31/01/2021	IT Boulevard	PHP Developer	PHP
10/02/2021 To 21/09/2021	RV Technologies	PHP Developer	PHP/Node
18/10/2021 To 25/03/2022	The Brihaspati Infotech	PHP Developer	PHP Framework
04/04/2022 To 10/03/2024	Yantra Digital	PHP Developer	Laravel/ Wordpress
15/03/2024 To Current	InvestKraft Technologies	Full Stack Developer	Laravel

Project Details

Project Name	Project URL	Comments
Carder	https://carder.app/	This project is a SAAS application that combines Laravel backend APIs with React and React Native for frontend development. It provides a platform for creating virtual business cards for both companies and individuals. Developed from scratch, this comprehensive solution offers

		features for managing and customizing virtual business cards, catering to the needs of personal and corporate users.
Westbase	https://www.westbase.io/	The frontend of this full-stack application is powered by a custom WordPress setup, the main application built using Laravel. This integrated solution seamlessly connects with Netsuite (Oracle) and QuickBooks, providing robust integration capabilities with these platforms. This also developed from scratch and individually.
Xrsense	https://xrsense.io/ https://dev.xrsense.global/ https://xrsense.global/	This expansive project hosts a multitude of applications within a unified ecosystem. Recent additions include standalone features such as Agora call integration, Signzy PAN API integration, AWS S3, AWS Cognito, and Xero integration. The project is built using a diverse range of technologies, including Laravel, Magento, Moodle, WordPress, Python, and Node.js
InvestKraft	https://www.investkraft.com/	This Laravel-based fintech project integrated multiple third-party APIs, including E-KYC, Peenychdrop, Aadhaar verification, PAN verification, and Bill Desk. The platform offered features like loan processing, gold investment, and fixed deposits. It utilized Laravel for full-stack development and AWS for cloud infrastructure.

If additional portfolio or work details are required, please do not hesitate to ask.
