ABOUT ME

Motivated Computer Science Engineer Fresher with a strong foundation in programming languages and software development principles. Eager to leverage my academic knowledge and technical skills to contribute to a challenging role within a reputable organization.

EXPERIENCE

Maanya Software Development & Training Centre, Bhopal

MSDTC

Internship : Python Projects Development

July 2023 - Jan 2024

- Gained hands-on experience in Python project development, implementing various functions, data structure algorithms, and OOPs concepts.
- Worked extensively with Python and MySQL.
- Demonstrated strong inquisitiveness and dedication, delving deep into technical subjects for better understanding.
- Successfully completed all assigned tasks and projects.

EDUCATION

Sagar Institute of Research and Technology, Bhopal, MP

Green Valley Senior Secondary School, Bhopal, MP

B.Tech | CSE | RGPV
CGPA : 7.78 / 10.00
2020 - 2024

12th Grade | CBSE | 2020
10th Grade | CBSE | 2017

SKILLS

- **Technical Skills**
Programming Languages :- Python, C/C++
Databases :- MySQL, DBMS
Software Development :- Data Structure Algorithms (DSA), Object-Oriented Programming (OOPs) Concepts, Data Science in Python (NPTEL)
- **Basic Computer Skill**
MS Office
- **Soft Skills**
Communication Skills
Problem-Solving & Critical Thinking
Teamwork & Leadership
- **Languages**
English (Fluent)
Hindi (Native)
Bengali (Conversational)

PROJECTS

- **Move To Bin Using Arduino (Python & DSA) :**
Optimized storage by identifying and removing unused data.
- **Snake Game (Python With Pygame) :**
Developed a classic Snake game using Python with grid-based movement, collision detection, and score tracking
- **Online Exam Platform (C/C++) :**
Streamlined assessment with a web-based exam platform.
- **Vaccination Data Management System (MySQL and Python) :**
Managed vaccination records for efficient access & reporting.
- **Student Information System (Python & DSA) :**
Built a database for efficient student data management.
- **Flight Records Management System (Python, DSA, MySQL) :**
Enabled complex querying for efficient flight record analysis.

EXTRACURRICULAR ACTIVITIES

- Event & Project Management
- Arts and Creative Pursuits
- Video Production and Editing
- Photography and Editing
- Sports and Leadership

CERTIFICATIONS

- Python for Data Science (NPTEL)
- C/C++
- Virtual Project Team (IBM)
- Data Structure Algorithms
- My SQL
- Python Programming
- MS Office
