EDUCATION

•Bachelor of Technology in Computer Science and Engineering(CSE)

University of Engineering and Management, Jaipur

2018-22

CGPA: 8.13

PERSONAL PROJECTS

•Flutter Calendar Application (12/2021-01/2022))

Built a powerful Flutter calendar app in Dart with sophisticated date management, event tracking, and seamless event alerts.

- Created a polished calendar application using Flutter and Dart.
- Efficiently keeps track of dates and events.
- Provides an easy-to-use user interface.
- Keeps track of occurrences and permits smooth notifications.

•Roller Ball Game Development (04/2021 - 07/2021)

Developed an endless Unity 3D Rolling Ball Game where players collect coins and avoid obstacles for a thrilling experience.

- Created a fun Rolling Ball game.
- Employed C Sharp programming and the Unity 3D engine.
- Utilized progressive coin collecting during gameplay.
- Navigated around difficult hurdles.

•Smart Fire Detection System (03/2020 - 06/2020)

Arduino-powered Internet of Things fire detection and alerting device.

- A system for automatic fire detection and notification has been created.
- Employed IoT and Arduino UNO technologies.
- Identified the fire using a temperature sensor.
- Notifications were promptly sent to the appropriate authorities.

CERTIFICATION

•Programming, Data Structures and Algorithms using Python

NPTEL

Feb - Apr 2022

Online

- Successfully completed the NPTEL Python course with a 60/100 grade.
- Honed practical problem-solving and programming skills in Python.

•The Joy of Computing Using Python

NPTEL

Mar - May 2020

Online

- Achieved an 80/100 grade in the NPTEL course "Joy of Computing Using Python".

TECHNICAL AND SOFT SKILLS

Languages: C/C++, OOPs, Python, Java, HTML+CSS

Libraries : C++ , Python Libraries,

Web Dev Tools: VScode, Git, GitHub

Database Management: DBMS, SQL)

Frameworks: Angular, Flutter

Cloud computing platform: Microsoft Azure

Soft Skills: Communication, Problem-solving, Leadership, Time management.

EXTRA-CURRICULAR ACTIVITIES

- Listening to Pop Music.
- Playing Cricket/Badminton.
- Learning New Things.
- Photography.
