2020 - 2023

BSc in Data Science and Business Analytics

SDBI

CGPA: 10

Experience

Dun & Bradstreet (June 2022- December 2022)

Global Data Operations Intern

- Used PowerBI for visualizing MSME data. Enhanced and automated data refresh for the dashboard.
- Performed web scraping and sentiment analysis with high-end packages like Spacy in Python for News Media data. Reduced data processing time by 70% through automation and process optimization with an accuracy ranging between 88-90%
- Developed, implemented and automated web scraping scripts to collect data from the NCLT website using Python. Automated collection, cleaning and analysis of data through web scraping to provide insights for the project.
- Developed and implemented web scraping scripts to collect data from the NGO Darpan website.Increased data collection efficiency through process optimization.
- Classified and routed email IDs of MSME users to their contact person with Fuzzy Lookup in Python.
- Performed Named Entity Recognition on DRT data with Spacy in Python to analyse the elements in text.

HN Brainworks (February 2022- May 2022)

Data Development Intern

- Developed and maintained a database of courses using SQL.
- Designed and implemented data-cleaning processes to improve database accuracy.
- Increased database efficiency by 70% through data cleaning, refinement and optimization.
- Performed database extraction

- Netflix EDA, Sentiments Analysis and Recommendation System : Python
- AQI EDA: Python
- Used Moving Average to analyze stocks of Reliance: Excel
- Food Ordering System: MySQL
- Marketing Analytics- Facebook Campaign Analysis, Prediction and Optimization: Python
- Finance Analytics- Application Scorecard, Collection Scorecard: Python
- Data Mining - Weka

Certifications

- Aug 2020 ● **Google Analytics Beginner, Advance**
Issued By: Google Analytics Academy
- Apr 2021 ● **Element of AI**
Issued By: Google, University of Helsinki
- May 2021 ● **Python 101 for Data Science**
Issued By: IBM, Cognitive Classes
- May 2021 ● **Social Media Analytics**
Issued By: Quintly
- Jun 2021 ● **Financial Risk Analytics**
Issued By: Great Learning
- Jun 2021 ● **Design Thinking for AI**
Issued By: IBM

- Aug 2021 ● **Geospatial Analysis**
Issued By: Kaggle
- Dec 2021 ● **Database Management System and Spatial Analysis**
Issued By: NPTEL
- Jan 2022 ● **Data Management**
Issued By: TCSlon
- Jan 2022 ● **Credit Risk**
Issued By: TCSlon
- Feb 2022 ● **Digital Skills: AI**
Issued By: Accenture

Virtual Experience

● **BCG**
Data Science Virtual Case Experience

Case Experience
(May 2021– June 2021)

- Business Understanding & Hypothesis Framing
- Exploratory Data Analysis
- Feature Engineering & Modelling
- Findings & Recommendations

● **KPMG**
Data Consultant Intern

Internship Program
(June 2021– July 2021)

- Data Quality Assessment
- Data Insights
- Data Visualization

● **PwC**
PowerBI Virtual Case Experience

Case Experience
(September 2021– October 2021)

- Call Centre Trends
- Customer Retention
- Diversity & Inclusion

● **TATA**
Data Visualization Intern Internship Program
(October 2022– November 2022)

- Framing the Business Scenario
- Choosing the Right Visuals
- Creating Effective Visuals
- Communicating Insights and Analysis

● **Accenture**
Data Analytics Intern Internship Program
(June 2022– November 2022)

- Project Understanding
- Data Cleaning and Modelling
- Data Visualization and Storytelling
- Presenting to Client

● **British Airways**
Data Science Virtual Case Experience

Case Experience
(November 2022– November 2022)

- Web scraping to gain company insights
- Predicting customer buying behaviour
