Aysu Nizamoğlu Ünlü <https://www.linkedin.com/in/aysunizamoglu>

We worked with Ashish at *****. He is a good partner for us when we started to use Brassring. He answers all our questions and solve problems about Brassring. He answered all our e-mails fast and came with alternative solutions if applicable. Thank you for your support Ashish

Derick Jose <https://www.linkedin.com/in/derickjose>

Ashish was leading efforts on HR Analytics as part of the Knowledge Services group. In this role he identified specific problems to solve like attrition, employee skilling etc and mapped the right analytical models to solve the problems. He played a significant role in demand generation where he conducted workshops and educated customers on what they can specifically do. He also executed the projects which were converted and was able to straddle the business world and analytical world gracefully

Subhash Gaitonde <https://www.linkedin.com/in/subhashgaitonde>

Ashish is completely soaked in HR/Associated areas and helped the team to build the relevant analytical scenarios for HR analytics and also helped when needed in customer interactions to convert into signings using his consulting skills. Complete team-man, no-fuss nose to the grind professional

Sree Hari T <https://www.linkedin.com/in/sree-hari-t-6206278>

Ashish is very professional in his approach and always there with relevant & accurate data with his powerful analysis. A man with details and a person to go for the required details. As an asset to any organization.

Aapga Singh <https://www.linkedin.com/in/aapga-singh-24056752>

Ashish is one of those team members whom anyone can depend for accuracy, timeliness and honesty. He was sincere towards his work, great zeal to learn new things and learn fast. I wish him more successes in life
