OBJECTIVE

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

WORK EXPERIENCE

Dec 06 2023 - Present

- Operations and sales Coordinator
PTP PERPETUAL TECHNOLOGY PRIVATE LIMITED

PROFESSIONAL EXPERIENCE

- Operations and sales Coordinator
"To apply my expertise in process optimization, resource coordination, and problem-solving to ensure the seamless execution of daily operations, improve efficiency, and contribute to the organization's overall growth and productivity."

"To leverage strong communication, organizational, and customer relationship management skills to support the sales team in achieving targets, streamline the sales process, and ensure exceptional client satisfaction through efficient order management and follow-up."

"Responsible for managing the CRM system by overseeing lead generation, updating lead statuses, and ensuring accurate data entry. Provide technical support to the sales team, addressing any issues related to CRM functionality and troubleshooting. Additionally, collaborate on maintaining and organizing lead data through Excel spreadsheets to support the sourcing and tracking of potential clients."

PROJECTS

- Impulsive buying behavior of customers towards online digital platforms

This research attempts to understand if employees are fully satisfied with their work within the organisation, so that they are motivated to work effectively in organisation

PUBLICATIONS

- **Impulsive buying behavior of customers towards to online digital marketing**
Impulsive buying behavior is a significant area of consumer psychology and marketing research. It involves spontaneous, unplanned purchases where customers make buying decisions without a thorough evaluation of the product or their needs. This behavior is influenced by a combination of psychological, emotional, and environmental factors.
