

AMIT PRAKASH

PYTHON/ AI/ ML Developer

OBJECTIVE

Experienced Data Analyst with 3+ years of overall hands-on experience in different Python data analysis libraries like NumPy, Pandas, Matplotlib and Seaborn. Proficient in data analysis, data wrangling, data pre-processing, exploratory data analysis, and if needed, Machine Learning and Deep Learning model building using different libraries like Scikit Learn, Keras and Tensorflow. Adept at working in agile environments, collaborating with cross-functional teams and adapting to new technologies. I am actively seeking a position in a company, where I can use my professional skills and determination to drive the success of both the organization and my own professional development.

WORK EXPERIENCE

- **Junior Data Science** at Nivtech solutions pvt ltd, Bhubaneswar, odisha. **[May 2021 - Present]**
 - Interpreting data, analyzing results using statistical analysis.
 - Developing and implementing data analyses, data collection systems and other strategies that optimizes statistical efficiency and quality of the product.
 - Acquiring data from primary or secondary data sources and maintaining databases.
 - Writing and testing code, debugging programs and integrating applications with third-party web services.
 - Collaborated with teams across divisions to implement and deliver technical solutions.

CONTACT INFO

 Bengaluru, India, 560037
 [+91 9334858979](tel:+919334858979)

STRENGTH

- Active Learner
- Teamwork
- Self-motivated
- Strong Analytical Skills
- Critical Thinking
- Debugging Skills
- Creativity and Innovation
- Adapting to Generative AI Technologies
- Time Management
- Strong Communication Skills

TECHNICAL SKILLS

- PyCharm
- Jupyter Notebook
- Spyder
- Python
- SQL (Structured Query Language)
- Numpy & Pandas
- Matplotlib & Seaborn
- Descriptive, Inferential Statistics
- Exploratory Data Analysis
- Power Bi
- Regression & Classification
- Clustering & Cross-Validation
- Machine Learning
- Deep Learning
- ANN, CNN & RNN
- Open CV

- **Gaurav Container Ltd** at Gujarat.
Designation: design engineer **[April 2018 - April 2021]**
 - Learning and developing practical skills, participating in classes and workshops on and off-site.
 - Observing all health and safety codes completing tests and assignments as well as delivering presentations to managers and higher authority.
 - Safely and responsibly used hand tools to adjust paper production machinery enhancing quality output with ensuring safety of workers.
 - Supervise the maintenance of production and mechanical equipment and maintain the schedule.
 - Evaluating a client's needs through strategies like competitor analysis, data management and consulting sessions.

PROJECTS

- **Bank Loan Default Risk Analysis**
 - *Overview* : This Project aims to develop a basic understanding of risk analytics in banking and financial services and understand how the data is used to minimize the risk of losing money while lending it to the customers.
 - *Technologies Used* : Python, Exploratory Data Analysis, Data Cleaning, Data Visualization, Jupyter Notebook.
 - *Python Libraries Used* : Numpy, Pandas, Matplotlib, Seaborn.
- **Income Prediction Using Census Data**
 - *Overview* : This Project aims to predict whether the annual income of the adults exceeds \$50k/Year or not based on the census data.
 - *Technologies Used* : Python, Exploratory Data Analysis, Data Cleaning, Data Visualization, Feature Engineering, Feature Selection, Model Selection, Spyder.
 - *Python Libraries Used* : Numpy, Pandas, Matplotlib, Seaborn, Scikit-learn, Imblearn.

- Natural Language Processing
- Anomaly Detection
- Recommendation System
- GIT/GITHUB
- Flask API
- Tensorflow & PyTorch
- Tableau
- Data Mining & Pre-Processing
- Data Cleaning, Manipulation, Visualization, Validation

EDUCATION

- **Bachelor of Technology**, Majighariani Institute of Technology & Science, Rayagada, Odisha. [2014-18]
- **12th**, Mirja galib college gaya, Bihar.[2011-13]
- **10th**, T Model inter-school, Bihar. [2011]

CERTIFICATIONS

- IBM certified for **Full-Stack Data Science, Machine Learning and Artificial Intelligence** at 360DIGITMG IT Hyderabad.
- **Data Visualization Using Tableau**
- **Certificate no:360DTMGIN17609**
- **Data Science using Python & R Programming**
- **Certificate no:360DTMGIN17176**
- **Data Visualisation using Power BI**
- **Certificateno:360DTMGIN16752**
- **Basic course on SQL**
- **Certificate no:360DTMGIN16756**
- **Python Programming**

DECLARATION

I solemnly declare that all the information furnished in this document is true to the best of my knowledge.
