ABOUT ME

Dynamic and results-driven professional with over 1.5 years of experience in inside sales within the EdTech sector. Adept at identifying client needs, building relationships, and driving revenue growth. Excels in a fast-paced environment with a strong focus on achieving targets and delivering exceptional customer service.

PROFESIONAL EXPERIENCE

Think and Learn (BYJU'S)

April 2022 - November 2023

Business Development Associate

Key responsibilities:

- Develop a deep understanding of BYJU'S educational products, including features, benefits, and competitive advantages.
- Conduct compelling and effective presentations to potential customers, showcasing how BYJU'S products can meet their educational needs.
- Adopt a consultative approach to selling, understanding the unique needs of each customer and recommending suitable BYJU'S products.
- Stay updated on changes and enhancements to BYJU'S products and participate in training sessions to improve selling skills.
- Work towards achieving and exceeding sales targets set by the organization.
- Adapt to changes in the education sector and BYJU'S product offerings, adjusting sales strategies accordingly.
- Adhere to ethical standards in sales practices, providing transparent and accurate information to customers
