- Client Relationship
- Sales Leadership
- Market Analysis
- Recruitment Strategy
- Employer Branding
- Revenue Growth

Key Benchmark Performances

- **Established and expanded the Business Development (BD) and Talent Acquisition (TA) team from inception in 2021** to 15 members, concurrently establishing a dedicated consultancy vertical. **Achieved consistent month-on-month revenue of 3-4 Lacs.**
- **Successfully served as the Key Account Manager (KAM) for over 20 accounts**, ensuring sustained recurring revenue and achieving a **year-over-year profit increase of over 10%.**
- Conducted extensive travel across Bangalore, engaging in one-on-one meetings with colleges and corporations. Secured and **closed 15+ corporate deals**, emphasizing a **commitment to exemplary client service.**
- **Conducted 50+ product demos targeting SMEs and startups**, laying the groundwork for a robust and reliable client base focusing on early and stable payment structures.
- **Introduced an additional vertical, the E2E Mentorship Program**, as a supplementary entity and an extra revenue stream. This initiative significantly bolstered monthly inflows, contributing to an **additional revenue of over a hundred thousand per month.**
- Formulated the hiring policy, **strategically optimizing overhead costs to less than 30%** by bringing on interns while ensuring a high-quality standard.
- **Restructured the Key Performance Indicators (KPIs) and training modules** within the vertical, resulting in a notable enhancement of **project productivity by 9-10%**, particularly in terms of time efficiency, and concurrently improving team members' work-life balance.
- Successfully launched and managed an **Employee Referral Program**, resulting in a 30% increase in hires sourced through employee referrals within the first quarter of implementation.
- **Achieved a leadership promotion within a year**, driven by exceptional performance and integral participation in the company's succession planning process.
