PROFESSIONAL SUMMARY:

Experienced Full-Stack ASP.NET Core Developer with over 3.4 years of hands-on experience with a leading product based company. I am currently seeking a challenging role where I can contribute significantly to the development of cutting-edge software solutions. My expertise lies in ASP.NET Core MVC, ASP.NET Core Web API, Microsoft SQL Server, JavaScript, jQuery, Git, HTML, CSS, Ajax, React js and C#. I have a dedicated focus on enhancing efficiency in manufacturing processes through innovative software solutions. Additionally, I am well-versed in SQL, ADO.NET, and RESTful API design. As a collaborative team player, I bring a wealth of experience in ASP.NET Core, SQL, and RESTful API to the table. My proven track record includes successfully working with diverse teams of 30+ members, where we collectively developed innovative software solutions tailored to manufacturing processes. This collaborative effort streamlined business processes, fostering success and efficiency.

Work Experiences:

Working as a **software developer** at **UST-Global Bangalore** with a reputed **product-based client(DELL Technology)**, from April 2021 to now.

Professional Experience Highlights

Key Responsibilities

September 2022- Present

❖ E2E MANUFACTURING DEVELOPMENT (HYDERABAD DELL)

- Interacted directly with clients on-site, prioritizing clear communication and client satisfaction.
- Played a pivotal role as a developer in a 35-member team for the Manufacturing (MFG) project, collaborating with testers, team leads, and client managers to achieve project objectives.
- Contributing significantly to project success and Providing mentorship to newly joined employees.
- Break down projects into tasks, providing accurate estimates for efficient project planning.
- Developed ASP.NET web applications using Visual Studio 2022, integrated with SQL Server for data management.
- Exhibit in-depth knowledge of C#, SQL Server, ASP.Net core MVC, .Net framework, ADO.NET, CSS, HTML, JavaScript, JQuery and React js.
- Develop and implement both front-end and back-end architectures with a focus on flexibility and structure.
- Proficient in WEB API, REST API development, including code modification and creation to meet user requirements.
- Skilled in utilizing tools like Postman and Swagger for API testing.
- Implemented GitLab CI/CD pipelines to streamline code deployment for automation scripts.
- Collaborated with cross-functional teams, conducted code reviews, and optimized database queries to enhance application performance and reliability.
- Outstanding communication skills, facilitating effective collaboration and understanding between cross-functional teams.

- Fully designed and developed .Net Application used by the team and execution on daily basis and monitoring.
- Proficiently utilized a range of tools including Visual Studio 2022, SQL Server and Jira to streamline the development process.
- Involved in the creation of SMB path services and configuration it in PCF.

TRAINING PROJECT

April 2021 – June 2021

❖ FOOD RECIPES, UST-GLOBAL(BANGALORE), 2021

- Active team participant in a 4-member group, spearheading the development of a FOOD RECIPES using ASP.Net MVC, C#, SQL, and Visual Studio 2019.
- It allows users to select the multiple recipes options, save recipes and the main ingredients and type of meal.
- Collaborated across team, integrating the recipes into workflows for efficient issue management.

SKILLS

TECHNICAL SKILLS	Programming Languages: C#, SQL, Java	
	Web Development: ASP.NET Core MVC, HTML, CSS, JavaScript, Jquery ,ASP.NET Web API,ADO.NET,React js	
	Database: SQL Server	
	Version Control: Git, GitLab	
	Development Environments: Visual Studio, Visual Studio Code, Eclipse,SSMS	
	Testing: Unit Testing, NUnit/xUnit	
	Web Services: RESTful API/REST API, Web API	
Certification	❖ FullStack Development course -(Jspiders Learning certificate)	
	❖ ASP.NET Core -(LinkedIn Learning certificate)	
	❖ Leverage OpenAI's Revolutionary ChatGPT Model - (Udemy-2023)	
ACADEMIC QUALIFICATIONS & SKILLS		
Year	Degree/Examination	Institute
2016-2020	B.tech in Computer Science Engineer	Rajeev Institute of Technology, Hassan, Karnataka
Language: Kannada, English, Hindi, Telugu
