🌐 <https://www.linkedin.com/in/dhandabani-b-962432228> 📍 HSR Layout, Bangalore, Karnataka-560102

SUMMARY

Dedicated and detail-oriented Junior **.NET Developer** with **8 months** of experience in ASP.NET MVC, ASP.NET Core, and Web API development. Proficient in designing and implementing robust applications, utilizing SQL Server for database management. Strong problem-solving skills and a collaborative mindset, with a passion for delivering high-quality software solutions. Eager to contribute to team success and continue growing in a dynamic development environment.

EXPERIENCE

Jr. DotNet Developer

XPay Life

📅 01/2024 - 10/2024 📍 Bangalore, India

🌐 <https://www.xpay.life/>

XPay Life is a One-Stop-Solution for Utility Bill Payment that facilitates citizens of India to pay their Utility Bills through App , Web , Kiosk.

- **Developed and maintained** web applications using ASP.NET MVC and ASP.NET Core, ensuring robust functionality and an intuitive user experience.
- **Developed and integrated RESTful APIs** to facilitate data exchange between front-end applications and back-end services, optimizing overall performance.
- **Managed SQL Server** databases, writing complex queries and optimizing database performance for efficient data retrieval.
- **Designed** responsive web interfaces using HTML, CSS, and JavaScript, enhancing user engagement and accessibility. Implemented AJAX for asynchronous data loading, improving application responsiveness and user experience.
- **Participated in code reviews** with senior team members, contributing to a culture of continuous learning and improvement, while ensuring adherence to coding standards.
- Assisted in **troubleshooting and debugging** applications, working collaboratively to resolve issues quickly and efficiently.

PROJECTS

WaveBuddy for Coca-Cola

📅 02/2024 - 06/2024 📍 India

🌐 <https://www.wavebuddy.in/>

Key Technologies: ASP.NET MVC, MS-SQL, Entity Framework, LINQ, JavaScript, jQuery, AJAX.

- Developed an **admin portal** and **kiosk portal** using **ASP.NET MVC** and **MS-SQL** database.
- Utilized **Entity Framework** and **LINQ** for data handling and ORM.
- Implemented **role-based authentication and authorization**, ensuring different user roles had appropriate access control.
- Applied **JavaScript**, **jQuery**, and **AJAX** to create dynamic and responsive web interfaces.
- Enhanced the portal's user experience and efficiency through **customized admin tools** for real-time monitoring and reporting.
- Collaborated with cross-functional teams to ensure the solution met client needs and adhered to deadlines.

BTI Payments

📅 06/2024 - 10/2024 📍 Philippines

🌐 <https://admin-dev-btipaymentph.com/>

Key Technologies: ASP.NET Core MVC, MS-SQL, Entity Framework, LINQ, JavaScript, jQuery, AJAX, Two-Factor Authentication (2FA), Role-Based Authentication

- Developed a **secure admin portal** using **ASP.NET Core MVC** and **MS-SQL**.
- Leveraged **Entity Framework**, **LINQ**, and **AJAX** to optimize database interactions and create dynamic content
- Designed and implemented **role-based authentication and authorization** with added **Two-Factor Authentication (2FA)** for enhanced security.
- Integrated **JavaScript** and **jQuery** for interactive elements and improved user experience.
- Conducted code reviews and collaborated with the development team to ensure high-quality, secure code and optimal functionality.

EDUCATION

Bachelor of Computer Application

Mahendra Art and Science College

06/2020 - 04/2023 Tamil Nadu, India

- Relevant Coursework:** Web Development, Database Management, Software Engineering, Object-Oriented Programming, Network Security
- Projects:** Developed a real-time object detection and tracking system using Raspberry Pi, integrating computer vision algorithms for efficient identification and movement tracking of objects.

SKILLS

Web Development

C# ASP.NET Core ASP.NET MVC ASP.NET WebAPI Javascript JQuery AJAX

Database Management

SQL Server Entity Framework ADO.NET MySQL

Tools & Technologies

Visual Studio TFS Postman SSMS IIS Server

Soft Skills

Problem Solving Quick Learner Team Collaboration Communication

Methodologies

Agile Methodologies

INTERNSHIP / COURSES

DotNet Full Stack Course

Completed DotNet course. Gained comprehensive knowledge of ASP.NET WebForms, along with foundational skills in C# and database management.

Python Internship

Completed Python Internship with knowledge of Django framework and MySQL in Shias Info solutions
