

GEETI GAURAV MOHANTY

SUMMARY

Motivated Talent Acquisition Professional with a drive for serving as a dedicated support specialist and energetic team member. Track record of building high-performing, diverse, Enterprise ready go to market and engineering teams. Successfully set up the core Engineering team and played a key role in the business growth. With my expertise in client management and problem-solving, I have reduced agency hires and improved time-to-fill metrics. I am highly organised and possess excellent communication skills, which have helped me build strong relationships with clients and consultants. In the future, I aim to become a thought leader in the industry and mentor others.

EXPERIENCE

Assistant Manager - Talent Acquisition & Engagement Specialist,
07/2021 - Current

Digit88 Technologies - Bangalore, India

- Spearheaded recruitment efforts, including sourcing and screening candidates, conducting interviews, and managing the hiring process from start to finish
- Utilized data analytics to track and measure the effectiveness of recruitment and engagement initiatives, making data-driven adjustments as needed
- Reduced the time to fill (TTF) from 60 days to 45 days through efficient recruitment processes.
- Analysed current and past hiring data to identify areas of improvement and develop targeted talent acquisition strategies
- Developed and implemented a talent acquisition strategy that reduced time to hire by 20%.

SR Talent Acquisition /Lead Recruiter/SME, 05/2019 - 03/2021

Alten Calsoft Labs (ACL DIGITAL) - Bengaluru

- Collaborated with hiring managers to understand their staffing needs and develop effective recruitment strategies.
- Sourced and attracted top talent through various channels, including job boards, social media, and networking events.
- Implemented innovative recruitment strategies, resulting in a diverse and high-quality talent pool.
- Developed a talent acquisition strategy that focused on sourcing passive candidates, resulting in a 36% increase in qualified applicants
