

HARISH KUMAR A

Mob: +91 9791197365

E-mail: harish.0a3@gmail.com

Summary

To achieve a successful and challenging career, through that where my knowledge can be effectively applied, enabling me to explore myself fully and realize my full ability.

Skill Highlights

- Symantec Endpoint Protection
- McAfee
- Windows Defender
- Carbon Black protection
- TrendMicro Deep security
- Qualys & Proofpoint (Email security)
- Symantec EDR
- Microsoft ATP
- Crowd strike
- F-Secure
- BitLocker (Encryption)
- Microsoft Defender For Identity

Experience

Organization	Experience (8.6 Years)	
	From	TO
Wipro Technologies	10-Aug-15	19-Mar-21
Capgemini	7-Jun-21	28-Feb-22
Honeywell	23-Mar-22	31-Jul-23
Kyndryl	9-Oct-23	5-Aug-24

Trainings Earned

- Trend Micro Deep security (AV)
- Microsoft & Symantec DLP
- CrowdStrike EDR
- Tenable (Vulnerability Management)
- Proofpoint (Email security)
- Symantec Endpoint protection (AV)

Career Roles & Objectives

Endpoint Security (AV cloud and on premise)- Migration/Implementation/Upgradation

Senior Security Lead / Senior Consultant /Advance Cyber Security Arch-Eng

- Architecture study of the endpoint security infrastructure.
- Understanding strategic business objectives of the customer and facilitating the definition of project scope, goals, and deliverable.
- Combining process migration activities along with IT implementation.
- Review and perform fine tuning of the policies if needed.
