Mob: 9003676743

OBJECTIVE:

A Digital marketing professional with seven years of experience in Programmatic & Ad operations. Expertise with Campaign Monitoring, Optimization, Performance, reporting, Troubleshooting and End-to-End campaign management. Successful in Onboarding and building communication with clients resolving critical problem and delivering on customer commitments. Building a great working relationship with digital planning teams, operating seamlessly together to deliver success for our clients, across briefing, strategy, set up, optimization, reporting processes.

Core Competencies:

- Programmatic Buying & Trading
- Campaign Optimization
- Data Analysis & Insights
- Real-Time Bidding (RTB)
- Audience Segmentation
- Digital Media Planning
- Conversion Tracking
- Client Management & Performance Tracking
- AdTech Platforms (e.g., DSP, DMP, SSP)

PROFESSIONAL EXPERIENCE:

AD2PRO MEDIA SOLUTIONS: Programmatic Campaign Associate 4 (From September 2022)

- Manage and optimize programmatic campaigns end to end, pacing, delivery and evaluating performance to meet client KPI objectives. Actively involved in implementing optimization strategies, proactive recommendations and insights across various demand-side platforms including DV360, Trade Desk, and Blis.
- Having knowledge in real-time bidding. Monitor and troubleshoot campaign delivery issues, ensuring timely resolution to minimize impact on campaign performance.
- Assist in the client onboarding process to understand the client's business, objectives, and expectations. Assign roles and responsibility to discuss goals, deliverables, timelines, and communication protocols.
- Having experience in Google Tag Manager. Setting the tags and triggers for conversion tracking and using the google analytics tool to measure the audience interest and website performance. This will help for custom conversion and optimize towards the campaign goal (CPA).
- Set up regular communication channels such as weekly or bi-weekly status calls, email updates, and progress reports. Develop a reporting framework to provide the client with regular updates on progress, metrics, and performance.

PROFESSIONAL EXPERIENCE:

ANNALECT INDIA PVT.LTD: Analyst 2 (From May 2021 to Aug 2022)

- Hands on experience with DCM and DV360 and Prisma tools.
- Responsible for maintaining and managing the display and video campaigns to meet the client goals/objectives.
- Conduct A/B testing to evaluate creative performance and audience segments, refining strategies based on results.
- Implementing creative strategies and providing website recommendations to the client to enhance customer engagement, increase brand awareness, and boost ROI.

PROFESSIONAL EXPERIENCE:

MEDIAMINT INDIA PVT.LTD: Associate 2 (From January 2020 to May 2021)

- Create campaigns within DV360 tool – Insertion orders, Line items, youtube campaigns, A/B testing, Campaign setup, Pixel implementation, foresight in campaign structure to prepare for optimizations and success, setting bid strategies, etc
- Experience with optimization in the DV360 (pacing, delivery, KPI goals, Bid Strategies, CTR monitoring, reports pulling, audience targeting, conversion point tracking, Geotargeting, and providing a campaign performance)
- Evaluate and deliver actionable audience insights, Forecasting and optimization to enhance campaign performance and goals.
- Ability to investigate, analyze, and solve problems, as well as clearly communicate results to the clients. Understand how to manage different kinds of goals and requirements (awareness, cost per action, CPC, CPM).

PROFESSIONAL EXPERIENCE:

PARAGON DIGITAL: Junior Ad Trafficker (From Jan 2018 to Dec 2019)

- Trafficking display campaigns and creative uploads in Campaign Manager 360 for display advertising.
- Manage workflow and responses to ensure agreed deadlines are met and along with executing tasks with 100% accuracy.
- Having experience in VAST and VPAID for 0x0 campaign setup and having knowledge in floodlight configuration.
- Having knowledge in HTML, Iframe, Javascript & click tracker tags. Strong ability to prioritize multiples tasks under pressure situations.

KEY ACHIEVEMENTS:

-
- Successfully increased client ROI by 100% through strategic bidding and optimization tactics.
 - Contributed to a 100% increase in click-through rates (CTR) by implementing optimized targeting strategies. Reduced cost-per-acquisition (CPA) by 100% while maintaining or exceeding client performance goals
 - Recipient of the Spot Award in July 2024 at my organization
