OBJECTIVE

Azure PaaS developer with 3+ years of hands-on experience in **designing, developing and deploying scalable cloud-based solutions**. Proficient in leveraging **Azure Cloud based Integration services** with the help of **C#** offerings to deliver efficient and reliable applications. Eager to tackle new challenges, explore emerging technologies and continuously expanding my skillset and contribute to success of a forward-looking team.

SKILLS

- C#, .NET Core/.NET 6.0, OOPS, Azure Functions, Azure IaaS, CosmosDB, Service Bus, Azure App Insights, Azure APIM
- SQL, XML, Rest APIs, Azure DevOps, SOLID, Azure Data Factory, Azure Logic Apps, Azure Redis
- Visual Studio, VS Code, SQL Server, Docker, Postman/SoapUI, CI/CD, GenAI, Terraform.

EXPERIENCE

Application Integration Engineer (Analyst) @ Accenture:

March 2023 – Present

- **Developed 30+** cloud **middleware components** using **Azure PaaS Services** including Azure Data Factory, Azure App Configuration etc. with .NET 6.0 framework
- **Resolved** multiple **critical and high** priority production **bugs**.
- **Integrated on Azure Data Factory** pipelines with Azure Functions.
- **Integrated on APIs** with Azure Functions.
- **Created APIM** endpoint with **Terraform**.
- **Integrated Azure Redis** with Azure Functions in 10+ interfaces.
- Worked extensively on **Azure DevOps, CI/CD pipelines**, managed code deployment for production.
- Performed debugging using **Azure App Insights** and **Kudu console**.
- Worked on **Azure Data Factory** approach to address chunk file requirement.
- **Mentored Juniors** for standards, conventions and helping in their technical difficulties.

Application Integration Engineer (Associate) @ Accenture:

Jan 2021 – March 2023

- **Developed 10+** cloud **middleware components** using **Azure PaaS Services** including Azure Functions, Azure Service Bus, Azure Cosmos DB, Azure Storage etc. with .NET Core 3.1 **Resolved** multiple **critical and high** priority production **bugs**.
- Developed **Unit Test** cases using **MOQ Framework** for 10+ interfaces and **increased** the **code coverage up to 96%**.
- **Performed Assembly Testing/Component testing** in Collaboration with **onshore** and **offshore** teams.
- Conducted 5+ knowledge transfer sessions on project technical topics.

CERTIFICATIONS

- Microsoft Azure Fundamentals (AZ-900).
- Microsoft Azure AI Fundamentals (AI-900).
- Microsoft Azure Data Fundamentals (DP-900).

EDUCATION

- Savitribai Phule Pune University | Bachelor of Engineering, July 2020.
- Shivaji University | HSC, April 2015.

INTERESTS

- Sketching, Dancing, Travelling.
