Technical Skills

- Amazon web Services ★★★★★
- Python ★★★★★
- Networking ★★★★★
- Linux ★★★★★
- React.js ★★★★★
- Next.js ★★★★★
- HTML/CSS ★★★★★
- Laravel ★★★★★
- SQL ★★★★★
- Flutter ★★★★★

DevOps

- Docker
- Jenkins
- Terraform
- Ansible

Soft Skills

- Time Management
- Public Speaking
- Team Player
- Fast Learner

Languages

- English
- Tamil

Career Objective

Seeking an opportunity to unleash my potential and contribute to organizational growth. Excited to be part of a dynamic team, learn from seasoned professionals, and apply my knowledge to tackle real-world challenges in the IT industry.

Projects

Frontend Developer | CDS TECH.

Developing a stock prediction AI using the React framework involves leveraging languages like JavaScript, HTML, and CSS for frontend development. Additionally, backend languages like Node.js are utilized for data processing and model implementation.

Amazon Web Services | CDS TECH.

I am highly skilled in architecting robust and scalable solutions using AWS services, including S3, EC2, Lightsail, and Lambda. With expertise in optimizing data storage and retrieval in S3, managing EC2 instances for efficient application deployment, and rapidly deploying virtual servers with Lightsail, I ensure seamless project execution.

Networking Intern | ARAFA GROUP.

In my career, I've tackled diverse networking projects, from configuring Linux Apache servers to enabling seamless file sharing between Linux and Windows systems. I'm skilled in Ethernet cable setup, repair, and troubleshooting, alongside managing IP address allocation using CIDR notation. Additionally, I excel in implementing firewall configurations to bolster network security and ensure smooth operations across varied environments.

CERTIFICATIONS

- AWS Certified Cloud Practitioner
- LINUX NETWORKING(FOUNDATION LEVEL)

Education

St. Xavier's College (Autonomous) Tirunelveli, India

Bachelor of Computer Science
2024
