SUMMARY

Experienced Software Engineer skilled in designing and implementing scalable systems. Adept in fast-paced, collaborative settings and committed to innovative problem-solving. Passionate about continuous learning and advancement in cutting-edge technology environments.

SKILLS

Languages	C#, Java, Python, JavaScript, HTML, CSS
Frameworks	ASP.NET, MVC, Core, EF, ADO.NET, React.js
Databases	MS- SQL, MySQL
Tools	Jira, Git

EXPERIENCE

Software Engineer SGHITECH	Jun 2023 - Present Pune, India
--------------------------------------	-----------------------------------

- Gathering and analysing requirements and new functionalities given by client.
- Developed and implemented an RDF File Converter application using Windows Forms in the .NET Framework.
- Developed web forms and implemented backend logic for an Division Budget Software.
- Involved in Creation of database objects like tables, views, indexes, stored procedures, functions, etc. using SQL SERVER. As per project requirements.
- Utilized ADO.NET for data access layer to interact with SQL Server database, ensuring data consistency and reliability.
- Conducted unit testing to validate software functionality and ensure high-quality deliverables.

EDUCATION

Bachelor of Engineering , Vishwabharati Academys college of Engineering, Ahmednagar	2015 -2019
Post Graduate Diploma in Advanced Computing (PG-DAC) , CDAC, Pune	2022 - 2023

PROJECTS

RDF File Convertor

- The RDF File Converter project aimed to develop a desktop application using Windows Forms in the .NET Framework for converting RDF (Resource Description Framework) data into JSON and vice versa.
- The project emphasized precise data mapping and efficient file handling, ensuring optimal across diverse data structures and formats, particularly in displaying molecule lists on-screen for enhanced usability.

DIVISION BUDGET SOFTWARE ,Client: Public Work Department (PWD), PUNE.

- The State PWD is an agency of the State Government for Planning, Construction, Maintenance and Repairs of all Works. The project is developed for Public Works Division in Pune.
- Government work is mostly on paper, Through our application paper less work takes place of that more speed and accuracy of work.

EXTRA-CURRICULAR ACTIVITIES

- **Participated in Ahmednagar Cricket Karandak**
- **Participated in ENECON 2015**
