PROFESSIONAL SUMMARY:

A dedicated IT Engineer with 1.3 years of experience, possessing a solid foundation in networking, cloud computing (AWS), and basic cybersecurity principles. Known for a strong problem-solving attitude, I am eager to advance my career by continuously expanding my knowledge and applying innovative solutions. I thrive in collaborative environments, working closely with cross-functional teams to drive the success of the organization. Committed to leveraging my skills in technology to contribute meaningfully and grow within a dynamic and evolving industry.

WORK EXPERIENCE:

IT Engineer – Trainee | 06/2023 – 08/2024

Trainocate Networks India Pvt Ltd, Bengaluru

- Utilized AWS Cloud platform to create VPCs, configure security groups, and NACLs, while managing IAM roles, monitoring with CloudWatch, and deploying EC2 instances. Leveraged S3 for cloud storage solutions.
- Configured and maintained on-premise network infrastructure, including switches, routers, and WLANs, and integrated access points (APs) into WLANs.
- Monitored network performance using Site24X7, ensuring optimal uptime and identifying potential issues.
- Provided technical support for Windows and Linux systems, troubleshooting installations, configurations, and resolving system-related issues.
- Administered on-premise servers, diagnosing and resolving both hardware and software issues, while using VMware ESXi to create and deploy VMs across on-premise and cloud environments (AWS & Azure).

EDUCATION:

Bachelor of Engineering | 2018 – 2022

Vidyavardhaka College of Engineering, Mysore

SKILLS:

Programming Languages: Python, Java, JavaScript, HTML, CSS

AWS Skills: IAM, VPC, Security Groups, CloudWatch, EC2, S3

Networking: Switching, Routing, LAN, Network Troubleshooting, Network Monitoring

Database: SQL, AWS RDS, MySQL

CERTIFICATIONS:

- Currently undergoing training for the AWS Certified Cloud Practitioner exam.
- Completed Cisco CyberOps Associate certification from Cisco. | [Certificate](#)

HOBBIES & INTERESTS:

Cyber Security, Stocks, Agriculture, Literature

LANGUAGES KNOWN:

Kannada, English
