SUMMARY	Integration Consultant in Hexagon PPM Services with over 2 years of experience on integrations using Java programming.
EXPERIENCE	
2022 - Present	<u>Technical Highlights</u> Adani - Configured multiple APIs such as Projects, Project WBS, Activity spreadsheets and others required to import progress information from P6. - Implemented JAVA based framework for integrating P6 and other internal tools of hexagon with EcoSys according to client requirements for ADANI MPL Project. - Developed Web APIs and configured few EcoSys modules to facilitate exchange of Data with EcoSys and other systems like SDx, SMAT, SPC and P6. - Built Actions and Action batches to trigger single/multiple requests for integration. Suburban Rail Loop - Implemented EcoSys modules for APIs and integrations for Suburban Rail Loop (SRLA) project according to client requirements. - Built APIs Navigation and Information Spreadsheet for Suburban Rail Loop (SRLA) project and wrote test scripts for whole configuration for Suburban Rail Loop (SRLA) project. Unified Project Management System (UPMS) - Configured APIs Project, Project Structure, Actual Transactions Spreadsheets and Actions for Unified Project Management System which is a timesheet management system. - Implemented integrations to import old timesheets data to this new UPMS system. - Integrated the EcoSys tool with snowflake using REST API provided by snowflake with the help of java programming
EDUCATION	Bachelor of Technology – Computer Science Engineering, 2018-2022 - RVR And JC College of Engineering and Technology, Guntur, A.P, India. - Aggregated with 81% Intermediate, 2016-2018 - Sri Chaithanya Junior College, Vijayawada, A.P - Aggregated with 98% 10th Class, 2015 - Bhashyam High School, Guntur, A.P - Aggregated with 97%
CERTIFICATION & TRAININGS	- JAVA Certification - Springboot - Angular JS - Primavera P6

SKILLS	○ EcoSys Integrations using EcoSys Connect and Java. ○ Core JAVA ○ Springboot And Angular JS ○ SQL, Python
PERSONAL SKILLS	○ Adaptability ○ Quick Learner ○ Team Worker
AWARDS & ACHIEVEMENTS	○ Received STAR Award for Adani project for implementing integration with various tools. ○ Received Pat On Back Award For Suburban Rail Loop Project for implementing APIs and integrating with EcoSys without any problems post-handover of the project.
