EDUCATION

June 2012 - May 2014

Yeshwantrao Chavan College of Engineering, Nagpur
MTech - Electronics

EXPERIENCE

08.2022 - present

Encora Innovation Labs India Private Limited

Designation: Technical Lead

Technology : Mainframe, COBOL, CICS, JCL, VSAM, Pattern, CCX2, LoanServ API Script

Tools : Fault Analyzer, File Manager

Team Size : 13

- Root Cause Analysis of issue reported in critical area of system and identify the impact of issue in system.
- Coding the change request for the project, preparation of Unit Test Plan, Integration test cases and test data.
- Perform the test case execution and capture test Results, support end to end testing, Quality Assurance testing, Regression testing and User Acceptance testing.
- Code deployment to Development, Integration, QA, Regression, User Acceptance and Production.
- Analyze the defects raised during Quality Assurance and Regression testing phases, fix the defects and explain the variances during the regression testing.

March 2022 - August 2022

Citicorp Services India Private Limited

Designation: Officer

Technology : Mainframe, COBOL, CICS, JCL, VSAM, DB2.

Tools : Changeman, Omegamon

Team Size : 6

- Code fix for reported incident, preparation of Unit Test Plan, Integration test cases and test data.
- Code deployment to Development, Integration, QA, Regression, User Acceptance and Production
- Major and Off release support.

ACHIEVEMENT

- L1, L2 and L3 Award in Fiserv.
- Customer Delight Award in DXC.
- Awarded as the Employee of the Month in Capgemini.
- Awarded as Rising Star in Capgemini.
- Awarded as Best Trainee in Capgemini.

ADDITIONAL INFORMATION

PAN Card : BGJPB4967M
Passport Details : U3624040 valid up to Jan/2031

December 2017 - March 2022

Fiserv India Pvt Ltd

Designation: Software Development Engineering,
Specialist

Technology : Mainframe, COBOL, CICS, JCL, VSAM,
Pattern, CCX2.

Tools : Fault Analyzer.

Team Size : 13

- Analyzing the project requirements and business design documents, preparation of technical design based on the business requirement.
- Coding the change request for the project, preparation of Unit Test Plan, Integration test cases and test data.
- Perform the test case execution and capture test Results, support end to end testing, Quality Assurance testing, Regression testing and User Acceptance testing.
- Code deployment to Development, Integration, QA, Regression, User Acceptance and Production.
- Analyze the defects raised during Quality Assurance and Regression testing phases, fix the defects and explain the variances during the regression testing.
- Maintain the documentation of each project in the share point, document and share the lessons learnt and best practices with the Team.

December 2016 - December 2017

DXC Technology

Designation: Professional 1

Technology : Mainframe, CICS, JCL,VSAM, DB2.

Tools : Changeman, CA7, File-Aid, Xpeditor, Abend-Aid.

Team Size : 10

- Analyzing the requirements and High Level Design documents, preparation of Low Level Design.
- Coding the service requests, preparation of unit test plan, integration test cases and test data.
- Code deployment to Development, Integration, QA, Regression, User Acceptance and Production.
- Post production warranty support.

June 2014 - December 2016

Capgemini India Pvt Ltd

Designation: Associate Consultant

Technology : Mainframe, COBOL, CICS, JCL, VSAM, DB2.

Tools : Changeman, CA7

Team Size : 12

- Coding the Service Requests, preparation of Unit Test Plan, Integration test cases and test data.
- Code deployment to Development, Integration, QA, Regression, User Acceptance and Production
