- Worked with an integration to provide for various automation Solutions with UiPath tool
- Successfully automated and streamlined critical business processes

HOBBIES

- Editing
- knowing about history/mythology
- gaming
- traveling
- testing myself

ABOUT ME

Dynamic and motivated recent graduate with a keen interest in leveraging Robotic Process Automation (RPA) to streamline business processes and drive efficiency. Proficient in foundational programming languages such as Python, Java, and C++, with a solid understanding of automation principles and methodologies. Eager to apply my theoretical knowledge gained through coursework and internships to real-world RPA projects, while continuously expanding my skills in automation tools like UiPath and Automation Anywhere. A quick learner with excellent problem-solving abilities, ready to contribute to innovative RPA solutions that optimize workflows and enhance organizational productivity.

EDUCATION

• **Visvesvaraya Technological University 2019-23**

B.E With GPA of 7.0

• **NARAYANA JUNIOR COLLEGE (2017-19)**

INTERMEDIATE M.P.C With GPA of 9.07

• **THEJA E.M HIGH SCHOOL(2016-17)**

CLASS X With GPA of 8.7

PROJECTS

• **Extracting the property details from housing.com**

"Using UiPath RPA, automate property data extraction from housing.com, including specs, pricing, and location. Boost productivity by eliminating manual entry and streamlining data aggregation for analysis."

• **App Sumo Invoice Details Extraction**

"Automated extraction of invoice data from AppSumo platform using UiPath RPA. Securely logs in with user credentials, retrieves invoice PDFs, and extracts pertinent data, enhancing efficiency and accuracy in financial record-keeping."

CERTIFICATIONS

- **certification completed in RPA/UI path under UI PATH ACADEMY**
- **certification completed in java full stack under joshmithra scholarship**
