PROFILE

As an ambitious and hard working individual, I am often recognised for my commitment and ability by highly respected companies. I handle multiple tasks on a daily basis competently, working well under the pressure. Frequent acknowledgment of my contribution from senior management illustrates my potential value to your company. I would welcome the opportunity to discuss my suitability in more detail.

WORK EXPERIENCE

Sri Hema Infotech

2023 - PRESENT

Senior App Developer

- Lead the design, development, and deployment of high-performance mobile applications across Android and iOS platforms, ensuring robust functionality, scalability, and intuitive user experience.
- Collaborate with cross-functional teams (designers, backend engineers, product managers) to define app features, architecture, and roadmap, delivering projects on time and within scope.
- Integrate third-party APIs and cloud services (Firebase, AWS, RESTful APIs) to enhance app functionality, including user authentication, push notifications, and real-time data synchronization.
- Manage app release cycles through app stores (Google Play Store, Apple App Store), handling submissions, versioning, and post-launch updates.
- Mentor and provide code reviews for junior developers, fostering a culture of continuous improvement and knowledge sharing within the team.

Ascentz Technologies

2022 - 2023

Full Stack Web/App Developer

- Frontend Development: Designed and developed responsive, user-friendly interfaces using modern frameworks such as Angular or Flutter for seamless user experiences across devices.
- Backend Development: Built scalable and secure RESTful APIs using Node.js, Django, or Express with database integrations in MySQL.
