- Power BI, Tableau
- Excel

PROFESSIONAL EXPERIENCE

Decision Scientist – Mu Sigma Business Solutions Pvt.Ltd – Bengaluru

Jul 2023 – Apr 2024

1. Campaign Measurement:

- Analyzed personalized email campaign metrics and conducted comparative performance assessments of individual modules, resulting in a significant **30%** conversion rate boost.
- Enhanced online campaign analysis across Email, SMS and App channels and streamlined data visualization for a leading U.S home improvement retailer, reducing manual efforts by **60%** while extracting valuable insights.

2. Data Pipeline development:

Led the design and implementation of a scalable data pipeline process leveraging advanced SQL in Google BigQuery. The project aimed to optimize data processing efficiency and facilitate seamless data analysis for informed decision-making.

3. Audience selection:

- Worked on numerous ad-hoc analyses that assisted clients in gaining a better understanding of their business as well as audience and helped them to formulate new campaign strategies.
- Increased conversion rate by **30%** by examining customer signals and historical purchases to provide personalized product recommendations for each customer.
