SUMMARY

With over 17 years of comprehensive experience in Finance & Accounting, I specialize in leading global Order-to-Cash (OTC) operations across diverse industries, including Shared Services. My expertise encompasses end-to-end OTC processes, reporting, reconciliations, forecasting, and a deep understanding of Procure-to-Pay (P2P) and Source-to-Pay (S2P) workflows. I have a proven track record of driving operational excellence through automation, process optimization, and strategic leadership. Skilled in cross-functional collaboration, I lead teams to deliver accurate financial outcomes, enhance compliance, and support business growth.
