ICICI SECURITIES LTD

May 2022 – Present

ASSISTANT MANAGER – DIGITAL CROSS SELL & UP SELL (MAY 2022 – PRESENT)

- Led cross-sell web analytics, overseeing campaign performance data collection and managing end-to-end digital marketing campaigns from planning to execution across various channels.
- Executed data segmentation to effectively target specific customer groups.
- Collaborated with creative, IT, data science, vendors, product, and other cross-functional teams to ensure seamless campaign execution and optimal user experience.
- Educated business teams on using Adobe Analytics for informed decision-making.
- Worked with IT on Adobe integration for mobile apps and set up website tracking with virtual page views (VPVs).
- Conceptualized and maintained an in-house UTM campaign tool to track performance across multiple channels, ensuring consistent campaign performance reporting.
- Developed automated campaign performance dashboards and CRM lead flow logic, leading to 30-40% monthly growth in business generation across various products.
- Utilized web personalization via Google Optimize and Adobe Target to enhance user experience.
- Established structured content templates for WhatsApp retargeting campaigns, resulting in 70-80% monthly growth in clicks.
- Trained and managed team members in UTM creation, personalization, and WhatsApp campaign execution.
- Focused on driving digital product growth through online campaigns, website development, and enhancing the online transaction experience by adding value-added features.

Summer Intern

- Conducted market research to identify potential clients and real estate trends in the Eastern Mumbai region.
- Developed new customer relations and business through direct sales efforts.
- Conducted cold calls and follow-ups to generate leads and schedule property viewings.
- Presented and pitched real estate projects to potential clients, highlighting key features and benefits.
- Engaged with prospective clients during property site visits and provided detailed project information.
- Monitored competitor activities and provided insights to improve sales strategies.
