Experience

IBM | Bangalore
Team Manager
(People Manager)
11/2023 - Current

- **Leadership & Operations:** Led end-to-end UK CORE HR operations, including Job Data Management, Time Off, References, Global Assignments, Exit Processing, and Debt Management. Acted as the primary escalation point, ensuring seamless client relationships, and service delivery.
- **Strategic HR Partner:** Served as a trusted advisor to business stakeholders by offering expert guidance on talent management, policy implementation, and process optimization, directly contributing to improved employee engagement, and business outcomes.
- **Change & Performance Leadership** – Partnered with executives to lead transformational change and improve individual, team, and enterprise-wide performance.
- **Performance Management & Training:** Defined clear, KPI-aligned performance objectives for the team. Conducted regular performance appraisals, identified training needs, and ensured skill development through targeted learning initiatives.

- **Strategic HR Leadership** – Directed complex, cross-functional initiatives and contributed to enterprise-wide strategic planning to drive organizational impact.
- **Collaboration & Stakeholder Engagement** – Leveraged the HR Operating Model to build strong cross-functional partnerships and influence positive business outcomes.
- **Process Improvement & Automation:** Drove automation initiatives in job data, debt management, and exit processes in collaboration with IT, resulting in significant time and cost savings. Established quality audits and implemented root cause analysis, reducing operational errors by 70%. Introduced volume forecasting to optimize workforce allocation.
- **Project Management:** Led cyclical and annual HR projects, proactively identifying and resolving gaps to maintain high client satisfaction, and operational continuity.
- **Business Analysis & Decision Support** – Assessed complex, long-term business challenges involving multiple and unprecedented factors to deliver actionable insights for senior leaders.
- **Team Management:** Monitored staffing needs, addressed resource gaps, and ensured adherence to updated work instructions and standard operating procedures.

IBM | Bangalore
Team Leader
 07/2022 - 10/2023

- **Team Leadership:** Led a multidisciplinary team (job data, debt management, global assignments, exit) and fostered professional growth.
- **Job Information Expertise:** Managed diverse job data changes (promotions, transfers, exits), and related processes.
- **Data Analysis and Reporting:** Developed and analyzed SAP data for informed decision-making.
- **Payroll Audits:** Conducted monthly audits, and ensured smooth payroll cycles.
- **Project Management:** Led HR projects aligned with organizational objectives.
- **Exit Management:** Streamlined offboarding process for over 3,000 employees.
- **Global Mobility:** Managed Global Assignment Transactions.
- **Debt Recovery:** Recovered over 1,000 debts through debt management processes.
- **Conflict Resolution:** Resolved issues, and maintained positive working relationships.
- **ServiceNow Management:** Maintained team compliance with ServiceNow SLAs.
- **Cross-Functional Collaboration:** Collaborated with other HR teams and departments.

Buzzworks Business
 Service Pvt Ltd |
 Kochi
**Senior Relationship
 Executive**
 02/2022 - 07/2022

- **Liaised with clients:** Addressed and resolved employee concerns related to contract amendments and ongoing queries.
- **Supervised employee relations:** Coordinated onboarding, separations, leaves, letter attestations, and contract amendments with immigration teams in KSA and Qatar.
- **Supported documentation:** Assisted development of process workflows tailored to KSA and Qatar immigration/labor law changes.
- **Escalation point:** Handled escalations from KSA and Qatar teams on exit, business support, onboarding, and payroll matters.
- **Employee data management:** Created employee records in the ERP system and recommended process improvements based on client needs.
- **Reporting & Planning:** Provided weekly onboarding reports for KSA & Qatar employees and supported resource planning with the Business Development Manager.

EY GBS india | Trivandrum
Advanced Associate
 09/2019 - 11/2021

Tested Core HR Services: Participated as a process tester for Core HR services in SuccessFactors (SAP), showcasing strong attention to detail and process understanding.

Managed EMEA employee exits: Handled exit processes for voluntary and involuntary separations using Oracle PeopleSoft for EMEA employees.

Supported EMEA HR Processes: Assisted with various HR activities, including user profile setup and maintenance in HRIS platforms for EMEA staff.

Facilitated Employee Transitions: Managed employee movements such as promotions, transfers, secondments, and exits, ensuring smooth transitions.

Provided HRIS support: Resolved client queries via email/phone, and maintained accurate employee records in HRIS systems.

Generated Client Reports: Compiled HRIS data to create customized reports supporting EMEA HR analysis and decisions.

Improved Retention Strategies: Analyzed exit surveys and interviews to identify attrition trends and support retention planning.

Assisted with visa cancellations: Initiated visa cancellation requests via the Business Immigration Tracker (BIT) for EMEA employees.
