SKILL SET

Python, Linux, Shell Scripting
Cloud Computing, Networking, AWS, Kubernetes, Docker, CI/CD, Virtualization, Git

INTERNSHIP

HEWLETT PACKARD ENTERPRISE (HPE) as a Technical Solution Consultant – (2023)

I gained hands-on experience in cloud computing, server management, and storage infrastructure, as well as knowledge of VMware virtualization, networking infrastructure, and Linux command-line operations. Capable of configuring, maintaining, and debugging cloud environments and server storage systems. Experienced with VMware for virtualization activities, including managing virtual machines and optimizing performance. Strong understanding of networking fundamentals, as well as proficiency with Linux commands for system administration, troubleshooting, and automation.

EXPERIENCE

HEWLETT PACKARD ENTERPRISE (HPE) as a Technical Solution Consultant – (2023 Present)

Managed and maintained backup and storage infrastructure for clients utilizing NetBackup, Commvault, and Veeam technologies, including data backup, backup restoration, and data recovery. Kept an eye on backup and storage system alarms. Obtained practical experience in managing server storage. Strong problem-solving skills were displayed in identifying system problems, putting backup plans into place, and guaranteeing the best possible data security and availability.

EDUCATION

ATRIA INSTITUTE OF TECHNOLOGY

Bachelor of Engineering in Information Science and Technology (2023)
I have scored 7.82 cgpa.

DALIMSS Sunbeam School, Varanasi

Intermediate in PCM (2018)
I have scored 67.4% in CBSE board

DALIMSS Sunbeam School, Varanasi

Class 10th (2016)
I have scored 8.0 cgpa in CBSE board

CERTIFICATIONS

Programming Fundamentals (Coursera)
Python Data Structure (Coursera)
Bash Scripting Flow Control & Data Types
DevOps and Security: DevSecOps Principles
Google Professional DevOps Engineer: Introduction to DevOps Fundamentals
Using Docker for DevOps: Introduction to Docker
Kubernetes Administrator 2024: Kubernetes Architecture & Components

STRENGTH

I am positive, hardworking, and self-motivated to succeed, with a strong drive to face difficult tasks.
Strong interpersonal skills and the capacity to sustain efficient working relationships.
