OBJECTIVE

Recent graduate with hands-on knowledge in cloud computing, automation, and CI/CD. Known for quick learning, adaptability, and strong teamwork. Ready to bring a fresh perspective and contribute effectively to a dynamic technology team.

EDUCATION

Bachelor of Engineering in Computer Engineering,
SPPU

July 2020 - May 2024

SKILLS

Technical Skills	Java, C++, Linux, Docker, Kubernetes, GIT, AWS (EC2,S3,CLI), ML.
Certifications	AWS Solution Architect, Microsoft Professional Program in DevOps, IBM Cloud Essential V3.

EXPERIENCE

DevOps Intern
Kalkey

May 2024 - June 2024
Kolkata, West Bengal

- Configuring and managing AWS services such as EC2, S3, RDS, and Lambda, Shells scripting.
- Building, deploying, and managing containerized applications using Docker, as well as creating Dockerfiles and managing Docker Compose configurations.
- Setting up and maintaining CI/CD pipelines using Jenkins and GitLab CI to automate build, test, and deployment for efficient software delivery.

Web Development Intern
CodeClause

Mar 2022 - April 2022

- Writing clean and efficient code using languages such as HTML, CSS, JavaScript, and frameworks like React.
- Apply responsive design principles to create websites that are visually appealing and accessible on desktops, tablets, and smartphones.

PROJECTS

Bookstore using Docker. Containerized a simple bookstore app using Docker for consistent deployment and streamlined development. ([GITHUB](#))

USER Management AWS Developed a shell script to automate the listing and retrieval of AWS IAM user data, including detailed user information, leveraging AWS CLI for enhanced cloud resource management. ([GITHUB](#))

Skin lesion classification Fine-tuned and optimized machine learning and ensemble models for skin lesion classification, achieving high accuracy on the ISIC dataset through advanced ensemble approach.

EXTRA-CURRICULAR ACTIVITIES

- Volunteered in **Business and PR Dept (Resonance Racing FSAE)** building and maintaining strong relationships with clients and partners, fostering trust and collaboration while securing sponsorships. Conducted market research to identify customer needs and assisted in preparing financial reports and forecasts to support strategic decision-making.
- Actively participated in and managed cultural events, overseeing all aspects of planning and execution.
