Seasoned 'Talent Acquisition Professional' with 20 years of expertise in IT / Non IT hiring and team management. Demonstrated ability to design and implement effective recruitment strategies that align with organizational goals and drive the acquisition of top technical talent. Proven track record in managing end-to-end recruitment processes, from developing job descriptions to onboarding. Adept at leading and mentoring multi-locations recruitment teams, optimizing recruitment practices, and ensuring compliance with legal and industry standards.

Experience

SR.RECRUITMENT MANAGER | 07/2021 - 08/2024

Adecco India

- With around two decades of experience as a Senior Recruitment Manager and Vertical Head of Delivery, **I have achieved significant success in enhancing recruitment processes and implementing Applicant Tracking Systems.** My Strategic Management & People Management skills and ability to handle interpersonal conflicts have contributed to exceptional Team & Individual performance.
- I lead the Recruitment & Delivery Teams for IT Product/IT Services and Engineering clients where my role involves management of end to end Recruitment Matrix, managing client accounts_CRM & Business Development Management, Business Analysis and Strategic Management, driving the implementation of Best Business Success practices & processes in talent acquisition, optimizing team performance, and converting mandates into successful business opportunities.
- **Organized and supervised large-scale external recruiting events, managing a team of 27 individuals. Implemented multichannel sourcing techniques to broaden the candidate pool for IT/Non-IT clients. Established a candidate feedback mechanism to improve the recruitment process and enhance employer branding. Developed new clientele through proactive sales outreach, resulting in increased annual profits.**
- I have also focused on team development through Team Training, career progression planning, succession management, **designed and executed tailored onboarding programmes for new hires, improving employee retention rates & resulting in team members advancing to leadership roles & multiple clients outsourcing their recruitment processes to Adecco due to our team's Delivery Excellence.**
- Having built this team from the ground level, **I have been recognized for Highest Team productivity and Highest revenue generation from my assigned Business Units, in multiple quarters across 2021, 2022, 2023, and unto 2024. I was also nominated for "People Champion Manager", scoring Peakon Score at 98% & was appreciated specifically by my Senior Management for building Organization Culture among Team assigned.**

BUSINESS MANAGER | 08/2016 - 03/2020

E-Solutions IT Services (P) Ltd

- **Managed P&L for assigned Business Unit**, lead recruitment matrix, Client account management, CRM, and end-to-end Delivery Excellence while emphasizing team building and training.
- As a Client Success Manager, **I have consistently received awards for delivery excellence and CRM performance.** Interacted with customers and vendors with utmost professionalism to solve issues and challenges. **Developed and implemented strategic business plans to increase market share and profitability.**
- Notably, **I was recognized as the Annual Star Performer in 2017 and 2018 for converting inactive accounts into top-tier clients, achieving 'Tier 1 Vendor/Preferred Vendor' status, BEST ACCOUNT MANAGER Award for achieving more than 157% of the set Revenue target for three consecutive quarters.**

SR.RECRUITMENT & CLIENT DELIVERY MANAGER | 01/2013 - 05/2016

Phoenix Consulting Solutions Pvt. Ltd.

- **Owned P& L for my assigned Business Unit**, led 36 member Team , focusing on client and key account management with Tier 1 IT/ Non IT MNCs. Managed stakeholder expectations through regular updates and strategic communications, building trust and confidence.
- Achieved optimal recruitment, relationship development, revenue generation and exploration of new markets while deploying agile techniques for enhanced team efficiency.
- Got recognized for my effective CRM and network-building skills by my Leaders. I have been awarded twice for successfully managing business units, delivering services, and overseeing P&L across PAN India.
