

PAVANA K P

Contact no: 91-8431000526

Email:

pavanakp1904@gmail.com

Date of Birth : 4th April 1994

Gender : Female

Marital Status : Single

Nationality : Indian

Languages Known: Kannada,
English

Permanent address : Koppa,
Maddur(tq) Mandya(dist) –
571425.

Professional skills:

Open for New Things to learn.

Good well support in team
work.

Self analyzation, self
motivation, punctual, Dedicated
and committed towards the
responsibility.

Technical Skills:

MS office, Excel, Power point.

Good knowledge on ADAS,
Railway tracking, signals data
annotation or labelling.

Well experienced in annotation
of 2D bounding box, polygons,
lane marking, segmentation.

C Basic, Digital Electronics, OS
windows 7 and later, LabVIEW,
Embedded system.

Manual testing – SDLC, STLC,
white box, Black box testing.

Knowledge on MySQL, sub-
queries, Agile Methodology.

Work Aspiration:

I would like to work in a dynamic environment which can offer me diverse roles and opportunities to grow, a place where I can utilize my potential and capabilities to the fullest towards the organization and can learn new things, adding-on to my current knowledge base and experience. I want to work in an organization or initiative in which I can explore possibilities for both professional and personal growth.

Experience summary:

- Total 3 years of experience in Data annotation or Data Labeling for Machine Learning AI.
- Well knowledge and understanding of 2D-Bounding boxes, polygons, lines, for various data like, video, images.
- Practical knowledge in various features of annotation, maintaining accuracy and consistency in labelling tasks.
- Hands on experience in Various Annotating Tools.

Current Organization: DB engineering and consulting.

Designation : Data Labeling Specialist.

Work location : Bangalore.

Duration : Feb 2023 to Present.

Project : RGB_PW_DSGVO, MSPV3 Tracking,
Presetting Track Symbols.

Responsibility : Understand and align data labelling
requirements for machine learning through discussion with
client.

Tool using : CVAT.

Organization: Mindy support.

Designation : Graphical Assistant.

Work location : Remote(Freelancer).

Duration : 5 months (Sept2022 to Jan2023).

Responsibility : understand and align data of various features
like TLR, VPTW, Superb-segmentation projects.

Tool used : UAI.

Organization: Instic AI.

Undergone Two months(aug2022-sept2022) internship as
a data annotator for training Machine Learning Models.

Responsibility: Involved in auditing and categorizing the
given medical data ensured with 100% quality.

Organization: Cadmaxx solutions pvt ltd. Bangalore

Project Name : Lane Detection for ADAS.
Designation : Data Analyst
Work location : L & T Technology & services. Bangalore
Duration : 6 months (July2020 to Dec2020).
Responsibility : Annotate and validate the real time data with requirement, Recognize the sides and edges of the particular lines in the image, annotate and assign attributes using tool. Checking the quality of the actual labelled data by the labelers.
Tools used : UAI, Canvas.

Project Name : Whiteline, AHB, Radar annotation ADAS.
Work location : Cadmaxx solutions pvt ltd. Bangalore.
Designation : Trainee Engineer.
Duration : 1 year 2 months (Jan2019 to March2020)
Responsibility : understand and align the given data with respect to the requirement, where we Concentrate to annotate or label the lanes, headlights, taillights, vehicles also checking errors by the labeled data keeping high accuracy, quality data produced.
Tools used : Yam, Valpro, GTA.

Academic Report:

Qualification	Institution	Board/University	Passing year
MTech(Digital Electronics)	CMRIT,Bangalore	VTU, Belgaum	2017
BE(ECE)	BGSIT,Mandya	VTU, Belgaum	2015

Academic Projects:

- Block transformation for encrypted image through RDH.
- IoT based smart helmet for mining industry.
- Wireless vibration monitoring system for industrial application.

Extra curriculum:

- Published paper on “Block transformation for encrypted image through RDH” in the “InternationalJournal of Advanced Engineering Research and Science” aug-17.
- Undergone internship at Knowx innovations on embedded.

Declaration:

I hereby declare that the information furnished above is true to the best of my Knowledge.
