EDUCATION

2018 - 2022

Bangalore institute of
Technology, Bengaluru
B.E - Telecommunication : 8.13
CGPA

2016-2018

KLE Society's Nijalingappa
College, Bangalore.
PCME - 82.5%

2016

Sri Vani Public School,
Bangalore (ICSE)
SSLC - 87.5%

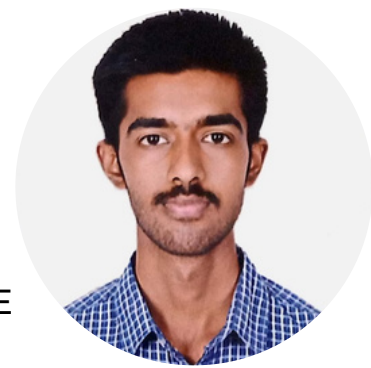

SKILLS

- Expertise in NPI planning
- Detail oriented and able to prioritize multiple projects
- Software:
SAP, OrCAD, PSPICE

LANGUAGES

- English
- Hindi
- Kannada

PRAJWAL BHANDIWAD

EXPERIENCE

Bosch Automotive electronics India Pvt. Ltd

Graduate Trainee - Product planner

October 2022- October 2023

- Responsible for release of ABS 2W and 4W products, MRP and data management of the same.
- Coordinator of shop floor management cycle meeting for resolving production related issues that affect the KPIs.
- Implementation of version control in the ABS final assembly line.
- Supported for layout planning and equipment planning for new production lines.
- Have been an active part of hardware testing team for functional testing of new products using CAN.

COURSES AND INTERNSHIP

- Design and development of 5mJ compact laser source from Laboratory of Electro- optics, ISRO:

Designed a laser diode array driver using schematics in OrCAD. Was introduced to the basics of PCB placement in the tool Cadence.

- FPGA Embedded design basics:

Design sequential and combinational logic circuit using Verilog hardware descriptive language. Simulation of the various Verilog modules using EDA tools.

ACADEMIC PROJECTS

- Design of dipole antenna for foliage penetration (LRDE, DRDO):

Designed a working model of 90MHz dipole antenna and designed a 1:1 balun for the same.

CO-CIRRUCLARS

- 'B' certificate in National Cadet Corps-NCC and have attended 2 major camps.
- A student of Hindustani classical music - Vocal for 8 years. Certified by Karnataka State Education Board and Gandharwa Mahavidyalaya, Miraj in 'Prarambhika' examinations.
