EDUCATION

- **Indian Institute of Technology(IIT) Patna**

Bachelor of Technology

CPI: 8.56

- **Park Mount Public School Patna**

Class XII, CBSE

Percentage: 85.6%

- **DAV Public School Patna**

Class X, CBSE

Percentage: 95%

ACCOMPLISHMENTS

- **Specialist** on Codeforces with maximum rating **1471**.
- **Knight** on LeetCode with maximum rating **1890**.
- Secured a global rank of 690 out of 14000 in Google Kickstart Farewell Round .
- Secured a global rank of **72** out of **4400** participants in GFG's weekly contest 122.
- Ranked as top **1.2** percentile out of more than **1.14** million candidates in JEE Mains 2020.

WORK EXPERIENCE

- **Full-Stack Developer**

Jan 2021 - Dec 2023

Intergrative Learning, Patna

- Worked on creating seamless and functional full-stack applications from end to end..
- Major roles include designing user interfaces, implementing server-side logic, integrating databases, ensuring cross-browser compatibility. and optimizing performance.
- Used broad skill set encompassing languages and frameworks like HTML/CSS, JavaScript, Node Js, React, Angular, Python and NoSQL databases like MongoDB.

PROJECTS

- **E-commerce Product Delivery Prediction**

Source Code

Data Science

- The aim of this project is to predict whether products from an international **e-commerce company** will reach customers on time or not.
- The project will involve several steps, including data preprocessing, exploratory data analysis, feature engineering, model selection, and evaluation. The dataset will be prepared by handling missing values, encoding categorical variables, and scaling numerical features. Various regression algorithms, such as **linear regression**, **decision trees**, **random forest**, or **k nearest neighbors**, is explored and evaluated to determine the most effective model for cost prediction.

- **InfoPulse - A Your Ultimate News and Lifestyle Companion**

Source Code 

- Created a real time news application which brings the news from around the world, spanning politics, technology, health, finance, and more.
- User can seamlessly switch between different section of news and enjoy reading it.
- Tech stack used for UI/UX and its rendering are **ReactJS**, **HTML** and **CSS**.

SKILLS/RELEVANT COURSEWORK

- **Programming/Development Languages:** C/C++, HTML, CSS, JavaScript, ReactJS, SQL, Python
- **Technologies/Tools:** Express, VS Code, Git, GitHub, MongoDB
- **Core Courses:** Data Science, Algorithms and Data Structures, Computer Networks, Database and Management System.

SOCIETIES/EXTRA-CURRICULAR ACTIVITIES

- Worked as a member of **Marketing and Public Relations Team** of codepeak.
- A NSS volunteer and provided community services to people in rural areas.
