PROFESSIONAL EXPERIENCE

Associate Software Engineer

Cloudmantra, Pune | 9th May 2022 - 15th October 2024.

PROJECTS:

EMIS Online System

- **RESTful API Development:** Created scalable APIs for seamless communication.
- **User Role Management:** Implemented a role-based access control system.
- **Authentication and Authorization:** Ensured secure user authentication and access control.
- **Admin and User Sections:** Developed segregated sections with tailored functionalities.

Repro

- Utilized AWS SDK for Node.js to manage S3 buckets.
- Integrated Multer middleware for handling files uploads.
- Implemented JWT-based user authentication and role-based authorization for restricted access.

Cirrusform

- Utilized the AWS JavaScript SDK within a Node.js REST API to seamlessly integrate with AWS services, empowering efficient management of various tasks such as AWS Budgets and S3 operations.

Web Developer Intern

Engistack Pvt. Ltd. | 11 Feb 2020 - 11 June 2020

- **Web Development Skills:** Proficient in PHP, HTML, CSS, JavaScript, Bootstrap, and SQL.
- **User Interface Design:** Designed intuitive, responsive interfaces.
- **User Authentication:** Ensured secure user accounts and access control.
