

RAHUL ANIL KANNAWAR

Mobile: +91-9119572176 | Email-id: rahul.kannawar1998@gmail.com | Date of Birth: 20th Nov 1998

Address: Dubewar lay-out, Pusad. Pin-Code: 445204

OBJECTIVE

Self-motivated and dedicated C++ and CAA Software Engineer with expertise in application design, development, and debugging. Seeking a challenging role where I can leverage strong analytical and problem-solving skills in a dynamic environment.

WORK EXPERIENCE

- **Dassault Systemes Solutions Lab Private Ltd, India** **Date: Jan 31, 2022- Aug 28,2024**
 - **R & D Development Associate Engineer**
 - 1. Experience in Interoperability Domain: Spearheaded the design and development of MultiCAD solutions, ensuring seamless CAD Data Interoperability between different CAD systems.
 - 2. Utilized CAA and C++ to develop PMI link annotations, improving applications for manufacturing, assembly planning, inspection, and cross-border collaboration.
 - 3. Developed functionalities using CAA and C++, including enhancing the import panel with geolocation and material options, and updating the common preference panel for an improved user experience.
 - 4. Refactored code to correct or modify application behaviour, ensuring quality and consistency throughout the software development lifecycle.
 - 5. Managed MultiCAD file formats and provided guidance to partners for the correct implementation of MultiCAD APIs.
 - 6. Conducted diagnostic tests and implemented debugging procedures to ensure the reliability and performance of applications.
 - 7. Executed comprehensive unit testing, promptly identifying and resolving issues to ensure the reliability and performance of applications.
 - 8. Proactively optimized software through regular maintenance, updates, and upgrades, aligning with evolving business needs.
 - 9. Delivered tailored solutions to meet specific client needs, enhancing customer satisfaction.

ACADEMIC QUALIFICATION

QUALIFICATION	INSTITUTE	Passout Year	Score/CGPA
B.E (Mechanical)	Pimpri Chinchwad College of Engineering, Pune	2021	8.3
CLASS XII(HSC)	Major Hemant Jakate Vidyaniketan, Nagpur	2017	79.4%
CLASS X(SSC)	Navjeevan Dyanpeeth English Medium, School	2015	94.6%

COMPUTER PROFICIENCY

- Subject of Interest: CAA, C++, OOP, Memory Management, Debugging, Unit Testing, Performance Optimization, Template Programming, C, SQL, Shell Scripting.

SKILLS

- Problem Solving
- Analytical Thinking
- Communication
- Team Work
- Continuous Learning and Adaptability

EXTRA CURRICULAR ACTIVITIES

- Member of Formula Student team, Team Kratos Racing, as a Chassis Design Engineer.
- Worked on designing CAD models of the vehicle chassis using CATIA V5.
- Designed and tested an impact attenuator for the vehicle using LS Dyna.
- Collaborated with other engineering teams to ensure optimal integration of the chassis with other vehicle systems.
- Contributed to the overall performance and success of the team in competitions.

HOBBIES

- Chess
- Badminton
- Football
- Fitness activities

I hereby acknowledge that the information furnished above is correct to the best of my knowledge.
