Key Skills:

PPC Advertising (Google Ads, Bing Ad, etc): Proficient in crafting and managing Google Ads campaigns, driving targeted traffic, and optimizing for maximum ROI.:

1. Executed diverse ad campaigns on Google Ads, including Search, Shopping, Display, Video, and App Promotion, showcasing versatility in campaign creation.
2. Managed Google Merchant Center for e-commerce brands, ensuring seamless integration and optimization for product listings and visibility.
3. Implemented robust conversion tracking systems using Google Tag Manager, AppsFlyer, and Firebase, demonstrating a proficiency in tracking and analyzing campaign performance.
4. Conducted keyword research and analysis to optimize ad targeting and improve campaign relevance, enhancing overall performance.

5. Utilized A/B testing methodologies to refine ad copy, creative elements, and landing pages, driving continuous improvement in ad effectiveness.
6. Implemented advanced bidding strategies, such as Smart Bidding, to optimize budget allocation and maximize return on ad spend (ROAS).
7. Collaborated with cross-functional teams to align marketing strategies with overall business goals, ensuring a cohesive and integrated approach.
8. Stayed abreast of industry trends and updates, incorporating new features and best practices into campaigns to stay ahead in the dynamic digital marketing landscape

Social Media Advertising(Meta (Facebook/Instagram) Ads,): Skilled in creating effective Facebook ad campaigns to engage, convert, and retain audiences.:

1. Developed and executed various Facebook/Meta ad campaigns, including awareness, consideration, and conversion campaigns, to effectively target different stages of the marketing funnel.
2. Designed and optimized ad creatives for both image and video formats, ensuring visually compelling content aligned with brand messaging.
3. Implemented audience segmentation strategies based on demographics, interests, and behaviors, leveraging the full spectrum of targeting options available on the Facebook/Meta advertising platform.
4. Utilized dynamic ads for retargeting, creating personalized and dynamically generated content to re-engage users who previously interacted with the brand.
5. Integrated pixel tracking and conversion events to measure and analyze user actions, providing valuable insights for campaign optimization.
6. A/B tested ad variations, headlines, and ad copies to refine messaging and improve overall ad performance.
7. Managed budget allocation effectively, exploring bidding strategies such as manual bidding, automatic bidding, and value-based bidding to optimize return on ad spend.
8. Stayed informed about Facebook/Meta ad policy changes and industry trends, adapting strategies accordingly to maintain campaign compliance and effectiveness.

Marketing Automation: Utilize marketing automation tools to streamline processes and nurture leads for enhanced conversion rates.

1. Implemented marketing automation workflows for both web and app platforms, streamlining customer journeys and enhancing user engagement.
2. Integrated marketing automation tools to facilitate personalized and targeted communication through various channels, including email, SMS, push notifications, and WhatsApp.
3. Designed and executed automated email campaigns, leveraging segmentation, drip campaigns, and behavior-triggered emails to nurture leads and drive conversions.
4. Established and optimized SMS marketing campaigns, ensuring compliance with regulations and delivering timely, relevant messages to the audience.
5. Orchestrated push notification campaigns, utilizing segmentation and personalization to enhance user retention and drive app engagement.
6. Integrated WhatsApp into the marketing automation strategy, leveraging its business API for personalized customer interactions and communication.

SEO (Search Engine Optimization) Strategy & Analysis: Expertise in on-page and off-page SEO techniques to improve organic search rankings and visibility.:

1. Conducted comprehensive keyword research to identify relevant and high-ranking keywords for organic search optimization.
2. Implemented on-page SEO strategies, including optimizing meta tags, headers, and content structure to improve search engine visibility and relevance.
3. Developed and executed effective link-building strategies to enhance domain authority and improve search rankings.
4. Conducted website audits to identify and rectify technical SEO issues, ensuring optimal site performance and crawlability.
5. Created and optimized XML sitemaps and robots.txt files to guide search engine crawlers and enhance indexation.
6. Utilized Google Analytics and other SEO tools to analyze website traffic, track key performance indicators, and make data-driven decisions.
7. Implemented local SEO tactics, including Google My Business optimization, local citations, and reviews management, to improve visibility in local search results.

These tasks demonstrate your proficiency in a holistic SEO approach, covering keyword research, on-page optimization, technical SEO, analytics, local SEO, and staying informed about industry trends and algorithm updates.

Affiliate Marketing Management: Extensive experience in affiliate program management, partnerships, and performance tracking.

1. Established and managed affiliate marketing programs, recruiting and nurturing relationships with affiliate partners to expand reach and drive sales.
2. Developed compelling promotional materials and creatives for affiliates, providing them with the necessary resources to effectively market products or services.
3. Tracked and analyzed affiliate performance metrics, assessing key performance indicators (KPIs) to optimize campaigns and maximize ROI.
4. Implemented commission structures and incentive programs to motivate affiliates, fostering a competitive and collaborative affiliate network.
5. Monitored and ensured compliance with affiliate marketing policies and guidelines, mitigating risks associated with fraudulent activities.
6. Conducted regular communication with affiliates, providing updates, promotional opportunities, and support to enhance overall performance.
7. Utilized affiliate tracking tools and software to manage links, monitor conversions, and attribute sales accurately.

Other Digital Marketing Skills:

1. Implemented and managed CRM systems to streamline customer data, enhance communication, and improve overall customer relationship management.

2. Developed and executed sales and lead management strategies, optimizing conversion funnels and tracking performance through analytics tools.
3. Monitored and analyzed customer reviews and feedback, identifying trends and addressing bugs or issues to improve product or service quality.
4. Utilized data analytics to assess the effectiveness of marketing campaigns, identifying areas for improvement and implementing data-driven optimizations.
5. Conducted A/B testing on various elements of marketing campaigns, including landing pages, emails, and advertisements, to refine strategies for better results.
6. Collaborated with cross-functional teams to align marketing efforts with broader business objectives, ensuring a cohesive and integrated approach.
7. Stayed informed about emerging technologies and trends in digital marketing, adapting strategies to leverage new opportunities and stay ahead in the competitive landscape.

Team Leadership: Experienced in leading and mentoring digital marketing teams for optimal performance.
