Experience

Sr. Manager - Recruitment

Jan 2024 to till Date

MployHR Services Pvt. Ltd.

- Collaborated with the leadership team and HR partners to assess and understand the organization's leadership hiring needs, focusing on executive-level and senior leadership positions.
- Developed and executed comprehensive talent acquisition strategies to attract and recruit top-tier executives, overseeing a team of 15 recruiters throughout the entire hiring process from sourcing to selection.
- Employed diverse sourcing methods, including direct outreach, networking, social media engagement, and partnerships with executive search firms, to identify and connect with high-potential candidates.
- Conducted in-depth interviews and assessments to evaluate candidates' leadership capabilities, relevant experience, cultural fit, and potential for success in senior roles.
- Cultivated and maintained strong relationships with prospective candidates, ensuring a positive candidate experience throughout the recruitment journey.
- Collaborated with internal stakeholders, including HR partners, hiring managers, and interview panels, to align on candidate requirements and establish selection criteria.
- Provided guidance and support to hiring managers during the recruitment process, including interview training, candidate evaluation, and offer negotiation.
- Stayed abreast of industry trends, best practices, and innovative sourcing techniques for executive recruitment, sharing insights and knowledge with the talent acquisition team.
- Tracked and analysed recruitment metrics to evaluate the effectiveness of talent acquisition strategies, identifying opportunities for improvement.
- Maintained accurate and up-to-date candidate records and documentation in the applicant tracking system (ATS) and other relevant systems.

- Demonstrated hands-on experience in closing global roles across diverse regions, including Mexico, Europe, the United States, and the Middle East.

Sr Manager - Talent Acquisition

CEPTES Software Pvt. Ltd.

Feb 2021 - Dec 2023 (2 years 11 months)

- Spearheaded full P&L responsibility for recruitment operations in India, effectively leading a team of five recruiters to drive strategic hiring initiatives.
- Championed resource planning and allocation efforts to align project staffing with organisational objectives, ensuring a balanced workload that fosters productivity and employee well-being.
- Revamped recruitment processes by modernising systems and procedures, resulting in streamlined operations; devised targeted hiring strategies in partnership with team members and launched a successful employee referral program.
- Developed robust talent pipeline strategies to identify and attract top candidates through platforms such as LinkedIn, social media, and professional networks.
- Cultivated strong vendor partnerships and facilitated seamless cross-divisional collaboration to enhance recruitment effectiveness.
- Extensive expertise in domain-specific recruitment across Real Estate, BFSI, and Telecom sectors, demonstrating a deep understanding of industry needs.
- Adept at analysing recruitment metrics and data to evaluate strategy effectiveness and guide data-driven decision-making.
- Familiarity with Applicant Tracking Systems (ATS) like Workday, Zoho Recruit, Ceptes ONE (In House Product) and other recruitment software, as well as social media platforms for sourcing candidates.
- Understanding of labor laws and regulations to ensure compliance throughout the hiring process.
- Managed the end-to-end offer issuance process, from obtaining business approvals to delivering final offers to candidates.
- Oversaw the maintenance of the Recruitment Management Information System (MIS) and dashboards, producing detailed weekly and monthly hiring reports to inform stakeholders.
