

Ravi Gorli

**Mobile: +918790224666
9912499333**

Email:
ravigorlee@gmail.com
rgorli@gitam.edu

Career objective:

To associate with an institution which could provide me with a stimulating work environment and afford me an opportunity to continuously learn and teach new perspectives to the learners.

Brief overview:

- Hands on experience on Generative AI, data modeling and data engineering and code tracing and visualization techniques. Developing Applications in freelance for some software companies
- Preparing curriculum with industry oriented courses aligning with Outcome based education
- Hands-on experience in preparation of SOR and related documents for NAAC,NBA assessments.
- Teaching and Training in a lively manner with real time examples and research oriented ideas to students
- Working for new ideas for automation in Gender Bias Analysis, Speech & Agriculture Fields
- Focusing on subject knowledge in academics and innovation in research work for satisfaction. Can deal with any new subject at any situation with any kind of students

Academics:

- **Pursuing PhD in NIT Silchar(CSE)**
- **M. Tech in CSE through Gate from Jntuk**
- **Bachelor of technology in CSE from Jntuk**
- **Diploma in Computer Engineering from SBTET**

Experience:

- **Freelancer as Data Science, Machine Learning, Prompt Engineer and Generative AI**
- **Assistant professor(CSE), Gitam University 2023 to till date**
Trained students in courses such as Python,Golang, Java, Advanced Python, Artificial Intelligence, NLP
- **Online Tutor, Online Coder, Freelancer and Part time project development from 2019 dec to till date**
Working as part time freelancer for different software companies and also trained some of software professionals from abroad in Python,Golang, Java and Data Science
- **Assistant Professor(IT), Anits – 2019 to 2023**
Trained students in courses such as Python,Golang, Java, Advanced Python, Artificial Intelligence, NLP and other CS core courses
-
- **Research Scholar in NIT Rourkela 2018-2019**
- **JRF(ISE), IIT Kharagpur - 2017 to 2018**
- **Assistant professor(CSE), Gitam University - 2016 to 2017**
- **Assistant professor(CSE) in Vignan's women - 2015 to 2016**
- **Teaching assistant(CSE) GVPCOE(autonomous) - 2014 to 2015**

Contribution:

- **Google citations: 110+, h-index=6 & i10-index=1**
- **Board of studies member(CSE), GVPCOE(autonomous) from may, 2019 to till date**
- **Google Educator for the academic year 2022-23**
- **Google Train the Trainer,for training students in App development with google developer accounts**
- **Coursera Admin Coordinator**
- **Virtual labs Coordinator, College Central Discipline committee member**
- **Department Budget Coordinator & Exam Coordinator**
- **Actively participated in NAAC & NBA works in Gitam and ANITs.**
- **Contributed as CRT trainer for training pre final year students**

Research areas:

- Data modeling and Engineering, Natural Language Processing, Gender Bias Analysis

Subjects Technologies :

- Gen AI, Prompt Eng, Data Science and ML, Python, Golang, C, C++, Data Structures, Java, Advanced Python, Digital Forensics
- OpenShift, Spark on K8S, Object store
- AI, NLP, DWDM, MCAD, WT, DC, CN, COA

Member ships:

- SCRS - Soft Computing Research Society
- IISE - institute of industrial and systems engineers
- IAENG - the international association of engineers
- ICSES - international computer science and engineering society
- ICST - institute for computer sciences, social informatics and telecommunications engineering

Patent Publications:

- AI/ML-BASED INTELLIGENT CHAT SERVICE FOR REGIONAL LANGUAGE, 2023/5/5, India, IPR, 18/2023, 202341027096
- AN AI AND ML ENABLED SYSTEM FOR MEDIATING THE TEACHING AND LEARNING PROCESS, 2023/3/31, India, IPR, 13/2023, 202341018647

Paper & Conference publications:

- Gorli, Ravi (et al.) (2021), Proposal of ASLR for Voice Disorders (Book Chapter), Soft Computing for Intelligent Systems, Springer, 2021.
- Ravi Gorli (2021), Deep Learning and Edge Computing for the IoT Applications, Journal of Huazhong University of Science and Technology, volume-50 (july)

- Gorli, Ravi (et al.) (2023-24), Quantum Cascade Lasers in Infra-red Absorption Spectroscopy, *2nd International Conference on Intelligent Data Communication Technologies and Internet of Things, IDCIoT 2024*, 2024, pp. 785–791

- Gorli, Ravi (et al.) (2023-24), Towards Optic Enlightenment: Future Free Space Optics Architecture & Dynamic Modeling, *2023 9th International Conference on Signal Processing and Communication, ICSC 2023*, 2023, pp. 345–350
- Gorli, Ravi (2022)“Language Translation with Gender Bias(Survey Paper)”,(submitted for review)

Project profile:

- PhD: Working in Natural Language processing Language Translation for identification of Gender bias and Debiasing
- Research project: Safety Analytics - Save People at Work from accidents and injuries.
Sponsored by: Mhrd, Ministry of Steel, and Tata Steel, Jamshedpur, under Uchchatar Avishkaar Yojana (uay), Govt. of India
- M. Tech: “Efficient Management of Misbehaving Nodes in Wireless Sensor Networks”.
- B. Tech project : Student Maintenance Android Application
- B. Tech mini project : A Mini Project Report on Smart City
- Diploma project : A project report on DES Algorithm

Project guidance:

- “Gender Debiasing using Natural Language Processing”, Gitam,
- “Gender Debiasing a Bilingual Context”, Gitam,
- “Voice Disorder identification with NLP”, Anits
- “Voice Over control Mechanisms using NLP”, Anits
- “Remotely Controlled Agricultural Pump”- Anits
- "Performance Analysis of Genetic Algorithm and Particle Swarm Optimisation Algorithm"- Anits
- “Smart Garbage Monitoring with IOT and Android App - Gitam, (Best Project).
- “Automatic Car Parking System with Sensors- Gitam (Best Project)
- “Time Table Preparation with Genetic Algorithm”, Vignan
- “Enhancement of Performance In Manets” - Vignan

FDP, workshop and courses conducted:

- Admin coordinator for providing access and coordinating coursera certificate courses for free of cost to students and faculty from all departments in Anits in the covid session
- Organized Fdp on Artificial Intelligence(2020) from Department of Information Technology, Anits in collaboration with BrainOVision in covid with zero budget
- Organized workshop on Dart Programming from Department of Information Technology, anits in collaboration with BrainOVision in covid zero budget.
- Attended Google train the trainer program in android development with kotlin and achieved all badges and trained students for Application development
- Conducted value added course for IT Students on Android application development with Kotlin

FDPS, Certifications

- NPTEL workshop on Leveraging Generative AI for Teaching Programming
- NPTEL Courses C Programming, Python
- Google Educator from Google developers
- IICC - Innovative India Coding Championship Certificate from Aicte,Coding ninjas
- Google Train the Trainer Certification
- Coursera Admin Certification from Coursera
- NITTR FDP, “Online Resources and Social Media Learning”
- NITTR FDP, “4G & 5G Mobile Technologies”
- NITTR FDP, “Arduino, Raspberry pi and Compatibles”
- NITTR FDP, “ICT Tools for Teaching and Learning”
- NITTR FDP , “Concepts of Software Engineering”
- ATAL FDP , ”Data Analytics”
- ATAL FDP , "Block chain"
- ATAL FDP , "Architecture and Technologies for 5G and Beyond Wireless Networks"
- ATAL FDP , "How to Exploit (Secure) Web Applications"
- ATAL FDP , “Modulation, Coding and Multiple Access techniques for Wireless Communication and Storage Systems”.
- APSSDC, “AWS Cloud Computing”

Personal information:

Name : Ravi Gorli.
Date of birth : 19-04-1992
Gender : male
Nationality : Indian
Languages known : English,Telugu and Hindi
Current location : Visakhapatnam.
Permanent address : s/o.G. Jagannadha rao,
d/no.4-91, Ravalammapalem (village)
Sabbavaram (md), Visakhapatnam-531035
Andhra Pradesh.
Mobile: 8790224666,9912499333
