CAREER OBJECTIVE:

Graduate engineer with around 5.5 years of experience and seeking for technically challenging position in the area of Software Testing, which allows to pursue career advancement by expanding knowledge and skills and to propel an organization's success.

PROFILE SUMMARY:

- Having experience of around **5.5 years** in **Automation Testing** as well as **Manual Testing**.
- Experience in Test Automation using **Selenium Web Driver** and **JAVA** Programming
- Experience in **POM** Design Pattern, Data Driven and **BDD(Cucumber) Framework**
- Having Experience in **Selenium Web Driver**.
- Hands on experience in creating **XPATH**.
- Experience in web application automation testing with **Page Object Model** using **Maven**.
- Experience in **Data Driven testing** Framework.
- Experience in **BDD** Cucumber Framework.
- Possess knowledge in **Test NG** Framework.
- Having Experience in working with **GIT**.
- Having Experience in working with **Jenkins**.
- Experience in creating **POM** for all the pages.
- Having Experience in **JDBC**.
- Experience in **Functional, Smoke, Regression and End-to-End Testing**.
- Experience in preparation of **Test scenarios, Test cases, Test data collection, Test execution And Defect reporting**.
- Participated in all the **agile** ceremonies planning, daily scrum call delivery and reporting sprint level deliverable.
- Able to work collaboratively with **testers, developers**, and other team members in testing complex projects and in the overall enhancement of software product quality.
- Experience in conducting application training sessions as per **project requirements**.
- Good knowledge in working with **API Testing** using **Postman**.
- Working knowledge towards creating **Rest Assured API Testing**.

PROFESSIONAL EXPERIENCE:

- ❖ **Automation Test Engineer** with **Big Perl Solutions Pvt. Limited**, Bangalore since May 2019 to Present.
- ❖ **Associate** with **Teleperformance**, since March 2019 to April, 2019.
- ❖ **Quality Analyst** with **Genpact**, since February 2016 to August 2017.

TECHNICAL SKILLS:

PROGRAMMING LANGUAGES: **JAVA**

AUTOMATION TESTING TOOLS: **Selenium**

BUILD TOOLS: **MAVEN**

AUTOMATION FRAMEWORKS: **Cucumber, Test NG**

DEFECT TRACKING TOOLS: **JIRA**

VERSION CONTROL TOOLS: **Git**

CICD TOOLS: **Jenkins**

API TESTING TOOLS: **Rest Assured, Postman**

PROJECT 1:

Project Title: SEB - Southeast Bank (U.S. Bank)

Tools and Technology: Manual testing Selenium-Java, TestNG, Maven, Git, Jenkins, MySQL

Description:

Student education Loan application is helpful for borrower to apply Student Loans through the Bank portal, where they will have to input all the details via application for MS and candidate must submit the application (on soft-pull applicant can be rejected as considering the credit score before submitting the application. Once back office receives the application, back-office employee (under writer) will go through the application and he/she allowed to change the loan status as well as add the comments on the comment section, these comments are specific to internal and external user, here external user is borrower.

Roles & Responsibilities:

- ✓ Understand the business requirements provided by client.
- ✓ Responsible for preparing effort estimates and creating sub tasks in **JIRA** and presenting in Sprint planning.
- ✓ Responsible for developing test plan, test scenarios and test cases for each sprint.
- ✓ Responsible for all execution activities such as **Cross browser, Mobile, Postman, API, Smoke** and **Regression** testing.
- ✓ Defect Analysis, Defect Reporting, Daily tracking and presenting defects to Client in daily stand-up call.
- ✓ Interacted with Clients on test status and test cases.
- ✓ Modifying existing scenarios and developed on according to our new changes.
- ✓ Responsible for performing execution once new code ids deployed to QA and UAT environment.
- ✓ Participating in all the agile ceremonies - Sprint Planning, daily scrum calls, Sprint review, Sprint retrospective, Demo, Rewards and Recognition.

PROJECT 2:

Project Title: ETSY

Tools and Technology: Manual testing, Selenium-Java, Rest Assured, Postman, TestNG, Maven, Git, Jenkins,MySQL

Description:

ETSY is a market that focuses on handmade or antique products and unique factory made products. It enables people and companies to directly sell various art and photography products, clothing and accessories, food, bath and beauty products, toys and other various other commodities to website users.

Roles & Responsibilities:

- ✓ Understanding and Analyzing the application under test in terms of Object Identification.
- ✓ Test automation using Selenium Web Driver using **Cucumber** Framework.
- ✓ Creating Test Scenarios and collecting Test data.
- ✓ Identifying end-to-end Scenarios and code modularity.
- ✓ Creating reusable components.
- ✓ Responsible for identifying Regression test cases and converting to test script using Selenium Web Driver.
- ✓ Actively involved in writing and maintaining the test scripts to run the test cases on various browsers under Data Driven framework using **Page Object Model, TestNG, Apache POI**.
- ✓ Utilize **ID, XPath** and other locators to locate elements on Web pages for the Application under test.
- ✓ Developed a robust automated **API testing** framework using **Rest Assured** and **TestNG**, which reduced manual testing efforts by 60%.
- ✓ Implemented tests for various API endpoints, including positive, negative, and edge cases, ensuring thorough validation of API functionalities.
- ✓ Finding solutions for Object Identification issues and error handling issues. Test execution, Report analysis and logging appropriate bugs.

ACADEMIC PROFILE:

COURSE	BOARD	NAME OF THE INSTITUTE	YEAR OF PASSING	PERCENTAGE OF MARK
B.Tech(Electronics and Communication Engineering)	JNTUH Hyderabad	Christu Jyoti Institute of Technology and Science, Warangal	2013	62%
HSC	State Board, Hyderabad	Siddhartha Jr. College, Tandur	2009	86.3 %
SSC	State Board, Hyderabad	St. Mark's High School, Tandur	2007	84 %

DECLARATION:

I hereby declare that all the above Statements are true to the best of my knowledge.
