

RAVULA PREM KUMAR

TRAINEE SOFTWARE
ENGINEER

PHONE | (+91) 7680874061
EMAIL | premgoudravula@gmail.com
LOCATION | Hyderabad, INDIA
EXPERIENCE | 1 Year 0 Month

Key Skills

- C
- Embedded C
- Embedded Systems
- Microcontroller
- Microprocessors
- UART
- I2C
- SPI
- CAN
- OS
- Linux
- Ubuntu
- RS232
- RS422
- RS485
- USB
- Keil IDE
- VS CODE
- ADC
- C++
- WIRELESS PROTOCOLS
- Excel

Profile Summary

To achieve high career growth through a continuous learning process. The main aim is to innovate and contribute to my short- and long-term goals as an entrepreneur by effectively using technological & managerial skills.

Work Experience

Trainee Software Engineer

Innominds Software

03/2022 - 03/2023

Having 1 Year of experience in C AND EMBEDDED C technology, Aim of the project: Performing operations on Security, privacy, and user experience. The Nymi-connected worker solution unlocks the benefits of digital transformation with all three. Project details: Using the Nymi project developed here, I have performed the operations like Connect System, the Installation process of Nymi Tools, and Connect to the platform. Make access easy and secure for employees across the workplace. The Nymi Band blends biometrics, continuous, and multifactor authentication (MFA) all-in-one empty by making users flexible to perform
