Professional Summary

Over 3+ years of IT experience, including 2+ years in RPA development using UiPath. Successfully delivered automation solutions saving 500+ man-hours annually and improving process efficiency by 30%. Proficient in testing methodologies such as Functional, Regression, UAT, and Salesforce loan booking testing. Solid understanding of SDLC, STLC, and Agile methodologies. Skilled in designing and deploying reusable UiPath workflows and implementing end-to-end automation solutions with robust exception handling.

Key Skills

- **RPA Development:** UiPath (Studio, Orchestrator, REFramework), Microsoft Power Automate, Workflow Optimization, Robot Deployment, Process Mining, Exception Handling, SQL Activities.
 - **Testing Skills:** Functional Testing, Regression Testing, UAT Testing, Salesforce CRM Testing, Test Case Design, Defect Tracking, Bug Reporting.
 - **Automation Tools:** UiPath, Microsoft Power Automate.
 - **Databases:** SQL.
 - **Tools & Platforms:** JIRA, Azure, Git, UiPath Orchestrator.
 - **Other Skills:** Agile Testing Practices, SDLC, STLC, Defect Life Cycle, Sprint Planning, Data Structures, Database Management Systems.
-

Work Experience

Quality Analyst

Bajaj Finserv Pvt. Ltd.

Oct 2023 – Present

- Spent a significant portion of time working on RPA development with UiPath and Microsoft Power Automate, automating key business processes.
- In the remaining time, took responsibility for managing the SFDC Automation tester team, Manual tester team, Bajaj Mall tester team, and Bajaj Mall 2.0 tester team.
- Led cross-team coordination to ensure smooth testing and successful delivery of automation solutions.
- Automated key business processes using UiPath and Microsoft Power Automate, enhancing operational efficiency and accuracy.
- Managed and coordinated testing efforts across SFDC Automation, Bajaj Mall, and Bajaj Mall 2.0 teams to ensure smooth project execution.
- Developed SQL-based backend solutions to support data processing and reporting requirements.

- Streamlined testing workflows for manual and automated testing teams, ensuring high-quality deliverables.
- Collaborated with cross-functional teams to improve processes and enhance system performance.

Officer (RPA Developer)

Teamlease Pvt. Ltd.

Oct 2021 – Oct 2023

- Specializing in RPA development using UiPath, automating business processes across various domains.
- Developed automation solutions for tasks like Excel, Web, Email, PDF, and SQL.
- Collaborated with business stakeholders to optimize workflow automation and improve operational efficiency.
- Led the design and implementation of end-to-end automation systems, reducing manual intervention and improving accuracy.

Projects (UiPath Developer)

HR Recruitment Automation

- **Description:** Automated candidate screening, interview scheduling, and onboarding processes, reducing time-to-hire by 50% and enhancing candidate experience.
- **Technology:** UiPath, Excel Automation, Email Automation, Web Scraping, API Integrations

Payroll Processing Automation

- **Description:** Developed automation solutions to handle payroll calculations, reducing errors by 25% and ensuring timely salary disbursements.
- **Technology:** UiPath, Excel Automation, SQL Activities, PDF Automation, Email Automation

Expense Reimbursement Automation

- **Description:** Automated the workflow for submitting, approving, and processing employee expense reimbursements, saving 30+ hours monthly.
- **Technology:** UiPath, Web Automation, Excel Automation, Email Automation
