Summary

Results-driven Azure Cloud Engineer with over 3 years of experience in managing and optimizing cloud infrastructure. Demonstrated expertise in resolving complex technical challenges, improving operational efficiencies, and ensuring cloud security. Proven track record in leading projects that enhance infrastructure stability and reduce operational costs. Passionate about delivering high-quality cloud solutions in dynamic environments.

Skills

- **Cloud Platforms:** Microsoft Azure, AWS Cloud
- **Infrastructure Management:** Virtual Machines, Azure Active Directory, Kubernetes, Backup and Restoration, DFS Services, Azure PAAS Services
- **Operating Systems:** Windows, Linux
- **Security & Compliance:** Microsoft Defender for Cloud, Cloud Security, Vulnerability Management, Patch Management
- **Networking:** Cloud Networking, Managed VNets, NSG Rules, IP Ranges, Azure App Proxy
- **Monitoring & Analysis:** Capacity Analysis, Log Analytics, Diagnostic Settings, KQL Queries, Offering Versions and Releases
- **ITIL Practices:** Incident, Change, and Problem Management
- **Ticketing Tool :**ServiceNow

Experience

DXC Technology, Bengaluru

Cloud Engineer - Microsoft Azure

June 2021 - Present

- Act as Subject Matter Expert (SME) for Microsoft Azure, supporting end users with Windows and Linux infrastructure issues.
- Reduced downtime by 20% through efficient patch management on Windows and Linux virtual machines.
- Spearheaded Kubernetes cluster management, achieving seamless version upgrades and enhancing container orchestration efficiency.
- Improved security compliance by 30% as the Single Point of Contact (SPOC) for vulnerability management, handling validation and mitigation of security vulnerabilities.
- Configured Azure Active Directory App Proxy and SSL certificates, facilitating secure URL exposure for client applications.
- Developed cloud networking solutions, managed virtual networks, and configured NSG rules and ASGs to streamline traffic and improve network security.
- Enhanced data resilience through VM backup and restoration, maintaining 99.9% uptime for critical applications.
- Optimized log analytics through KQL queries, improving troubleshooting speed by 15%

Certifications

- **Microsoft:** Azure Fundamentals (AZ-900), Azure Administrator Associate (AZ-104)
- **AWS:** Certified Cloud Practitioner - CLF-C02

Achievements

- **Diamond Excellence Award** - Recognized for outstanding performance and contributions to team success.
- **Emerald Award** - Awarded for exceptional work in maintaining and enhancing compliance standards, ensuring regulatory adherence.
- **Q1 Champ Award** - DXC Technology, FY23: Recognized for exceptional performance in cloud infrastructure management.
- **H1 Collaborators Award** - DXC Technology, FY23: Awarded for collaboration and contribution to team knowledge enhancement.
- **Sapphire Award** - Honoured for demonstrating excellence in project delivery and commitment to **operational success**.

Education

- **Bachelor of Engineering in Electronics & Communication**
P.E.S. College of Engineering, Mandya
CGPA: 7.94 | Year of Completion: 2021
- **PUC**
Vivekananda Pre-University College, Puttur
Score: 91% | Year of Completion: 2017
- **SSLC**
Sri Vidhyavardhaka High School, Miyapadavu
Score: 93% | Year of Completion: 2015
