

Seeking challenging and rewarding opportunities to utilise and enhance my skills. To be a valuable asset to the company through my strong will to learn and excel.

EDUCATION

BE/B.Tech in Mechanical Engineering Reva University

08/2018 - 07/2022 *Bengalore, Karnataka*

Courses
- Mechanical Engineering

Higher Secondary Education / XII Sri Chaitanya PU college

04/2016 - 03/2018 *Bengalore, Karnataka*

Courses
- Applied Science

Secondary School Education / X Sri Rama vidyalaya School

03/2015 - 05/2016 *Bengalore, Karnataka*

Courses
- Applied Science

ACADEMIC PROJECT

Fabrication of Zero Radius Fire Extinguisher

- Aim of the project is to develop a robot that can search, detect and extinguish burnt areas immediately and develop a program using PIC18F4550 to control the movement of the robot. Project Scope Besides, to learn how to connect microcontroller and GSM modem and design the robot that includes the flame sensor to detect the fire and send a notification by Short Message Service [SMS] and lastly to analyse how the robot performs to detect the angle of burnt area in front of the robot and detecting burnt area in 0m-2m in radius

INTERNSHIP

Intern Lumax Private Limited

08/2021 - 09/2021 *Bidadi, Karnataka*

Monitoring Injection moulding and various methods associated in the production of automotive lights.

SKILLS

Core Java [OOPs, Collections, Exception Handling, Multithreading]

HTML

CSS

Java Script

Oracle11G, SQL

CERTIFICATES

FULL STACK JAVA DEVELOPMENT (07/2022 - 11/2022)

Brief knowledge of coding, programming, web development, core java concepts i.e as OOPs, Collections, Multithreading, exceptional Handling and building webpages with the help of html&css ,javascript, and query writing in SQL

COMPETENCIES

Actively Participated in 4th National Conference on 'New Trends in Mechanical Engineering [NCNTME-2022]' By School of Mechanical Engineering in Association with Indian Institute of Foundrymen'

LANGUAGES

Kannada

Native or Bilingual Proficiency

English

Professional Working Proficiency

HOBBIES

Watching Series

Petting

Bike Ride

Travelling
