SUMMARY

A highly skilled Data Analyst with over 3+ years of experience in survey programming and data analysis. Proficient in leveraging tools such as Excel, SQL, Power BI, Python, and Sawtooth Software to deliver actionable insights. Experienced in data manipulation, dashboard creation, and the application of statistical techniques to drive informed business decisions. Seeking to contribute my expertise to a data analyst role at your company, where I can provide impactful data solutions and further develop my skill set.

SKILLS

- **Data Analysis:** Excel (Pivot Tables, Formulas), Power BI, SQL, Python
 - **Survey Programming:** Sawtooth Software, Conconfirm, SPSS, JS, HTML and CSS
 - **Statistical Analysis:** Applying statistical methods for interpreting data and providing insights
 - **Project Management:** Managing multiple projects with a focus on accuracy and timely delivery
 - **Communication:** Strong verbal and written communication skills, adept at collaborating with cross-functional teams
-
