WORK EXPERIENCE

Software Engineer(Java Developer)

ScoreMe solutions pvt ltd Gurugram

May 2022 – Present
Gurugram, Sector 62 pioneer urban square

– 1) BSA (Bank Statement Analysis) Project:-

– PDF To TXT:

- In this project as an individual a bank, NDFC or other financial institution the client analyse prospective borrower's bank statement to access the creditworthiness to decide whether to lend the money or not.

– PDF To JSON:

- Manipulation are done on PDF provided by clients using the Apache PDFBox and Jackson library to parse bank statements of Multiple clients, Such as HDFC, SBI, BOI, PNB for multiple banks to generate formatted transaction report in Text file And Json format

– Basic Info:

- As per the financial analyst requirement, basic data is being fetched for different banks implementing the Gson library to parse the json provided by clients along with implementing logic in java 8 as per the requirements provided by the financial team and lastly the fetch data is rewritten to Excel using Spreadsheet ML workbook.

– 2) ITR PDF Project:-

- Retrieve all the individual's ITR Pdf information and present it in JSON format within this project.
- (ITR) Analysis tool gives you the visibility of your borrower's financial know-how whether it's an individual's income or a company's financial transactions, in real-time.

– 3) Bank Loan Requirement Project:-

– PNB Education Loan Module:-

- Implemented seamless integration and data flow, ensuring efficient processing of education loan applications. This project showcased my expertise in Java development and API design, contributing to the bank's digital transformation.

– PNB Vehicle Loan Module:-

- Design and implementation of the Vehicle Loan Module for PNB, emphasizing API creation. Developed a streamlined system that facilitated smooth communication between various components, enhancing the bank's vehicle loan processing capabilities.

CERTIFICATIONS

HackerRank: | I have done java coding test from HackerRank.

Mar 2019

GDG Cloud India: | I have participated in GDG cloud Certification.

May 2019

EDUCATION

QUANTUM UNIVERSITY

Master of Computer Applications

May 2019 - Jun 2021
Roorkee(Haridwar), Uttarakhand

CHAUDHARY CHARAN SINGH UNIVERSITY

Bachelor of Computer Applications

Jul 2016 - Jan 2019
Meerut, Uttar Pradesh
