

RESUME

GOURI SHANKAR
B.TECH (MECHANICAL ENGINEERING)

Email :- shankargouri1797@gmail.com
Contact No.: +91 8639421247

CAREER OBJECTIVE:

To work in an organization where I can learn continuously while contributing to the growth of the organization with total dedication and commitment towards work and utilize my strong organizational, educational, and exceptional people skills.

ACADEMIC SKILLS:

- GRADUATION: Bachelor of Engineering in Mechanical Engineering. **CGPA-7.05, 2019**
- CLASS 12th : HSC. **CGPA-8.2, 2015**
- CLASS 10th : CBSE. **CGPA-7.8, 2013**

TECHNICAL SKILLS:

- Part modeling, Surface modeling, Drafting and Assembly design.
- Awareness of PLM environment like Teamcenter & Enovia.
- Knowledge about 3D cad model of Model Base Design (MBD) in FT&A workbench.

SOFTWARE DETAILS:

- Design Software : CATIA V5, SIEMENS-NX & Auto CAD
- PLM Software : ENOVIA VPM, TEAM CENTER
- Microsoft Office : Word, Excel, Power Point

WORK EXPERIENCE: 2 YEARS & 6 MONTHS+

Working as **Design Engineer** in Shripad CCPL and Deputed at **Hindustan Aeronautics Limited (HAL)**

Department: Armaments and Seat, ARDC Division

Duration: From 06/09/2022 to till date

- Completed 4 MONTHS OF **Internship** at HAL KORAPUT AND 1 YEAR OF **GraduateApprenticeship** in Hindustan Aeronautics Limited (HAL) BENGALURU in FUSELAGE DEPARTMENT.

PROJECT: Manufacturing of first stage compressor blades of jet engine.

Description: Understanding basic theory of aircraft engines, introduction to types of engines, basic idea about working principle of engines, various parts of engines and their functions, basic knowledge of 1st stage compressor.

WORKING KNOWLEDGE:

1) Project: Fighter Aircraft

- Involved in the study of assembly and sub assembly.
- Modeling of parts as per the numerical master geometry (NMG).
- Created MBD to the parts for manufacturing information.
- Designed various brackets and channels based on manufacturing requirements.
- Involved in the fastener's installation process for assembly.
- Working with Enovia as the product data management to associate parts, sub-assemblies, drawings and generating attributes, MS table for the workflow.
- Updated models and manufacturing drawings to reflect engineering changes.
- Created MS-Sheets for detailed parts and applying the correct material specifications, stock size, heat treatment and finish.
- Created 2D drawings for a sub-assembly and major assembly according to GD&T.
- Updated attributes like weight, material specification, class, interchangeability, finishes for parts.
- Working with ENOVIA as the product data management to create parts, documents, drawings, project slip, MS table, change notice and initiate parts for QPLM process.

2) Project: Trainer Aircraft

- Generating MS-sheet to sub-assembly and major-assembly for product information.
- Updated attribute sheet of parts and created change notice for higher issue.
- Initiated parts and assemblies for QPLM process using Teamcenter.

3) Project: Weapon integration for naval aircraft.

- To check clearances and weights after installing store with Pylon and wing.

PERSONAL TRAITS:

- Strong work ethics.
- Possess good relationship.
- Good team player.

PERSONAL DETAILS:

DOB : 17th oct.1997
Father's Name: L.V.S. Murthy
Address : House no 87, 7th b cross kallapa layout Bengaluru, Pin : 560037

DECLARATION:

I hereby declare that the information above is true to the best of my knowledge and belief.

DATE:

PLACE: Bengaluru
