PROFESSIONAL SUMMARY

Motivated to excel in Cyber Security, utilizing technical expertise for personal and professional growth, while contributing to organizational prosperity.

SKILLS

Cloud Security Information Security EDR/XDR SIEM VAPT Risk Management IT Audit

Cloud Platforms: AWS/Azure

Security Tools: Wireshark, Nmap, Palo alto, Trend Micro, Crowdstrike

Security Compliance Frameworks: ISO 27001, NIST, MITRE, PCI DSS, SOC, HIPAA

EXPERIENCE

Cyber Security Engineer: Amazure Technologies, Pune

May 2023 – Present

- Work as part of a team to continually improve, observe security solutions; SIEMs, firewall appliances, EDR/XDR tools, analysis tools, log aggregation tools.
- Provide real-time guidance to customers on security configuration, security settings and policies, and attack mitigation procedures.
- Managed the deployment of security controls and monitoring systems for cloud-based applications.
- Conducted regular vulnerability assessments and implemented remediation measures to maintain a secure cloud environment.
- Manage risk and vulnerability assessments, compliance reviews, and audits in accordance with security compliance standards.
- Manage and support implementation of ISO, NIST, SOC, GDPR, HIPPA, PCI compliance standards.
- Maintain and monitor a central repository for audit evidence.
- Work together with clients to link our corporate IT, procurement, and privacy departments with GRC objectives.
- Led the development of Statements of Work (SOW), Standard Operating Procedures (SOP) and Proof of Concept (POC) clearly outlining project scopes, deliverables, and timelines, ensuring alignment with organizational objectives.

EDUCATION

- M.Tech in Information Security And Cyber Forensics, 2021-2023 **CGPA: 8.73**
Lovely Professional University, Jalandhar
- B.Tech in Computer Science And Engineering, 2017-2021 **CGPA: 7.18**
Lovely Professional University, Jalandhar

PROJECTS

Prisma Cloud Integration And Implementation

- Spear headed the implementation of Palo.Alto Networks Prisma Cloud for cloud security and compliance.
- Collaborated on configuring security policies, conducting risk assessments, and enforcing best practices for securing cloud workloads.
- Assisted in integrating Prisma Cloud with existing cloud infrastructure, monitoring logs, and providing training to enhance the team's expertise.

CrowdStrike Cloud Security & EDR Implementation

- Collaborated with the IT team to integrate CrowdStrike endpoint protection into the organization's cloud infrastructure.
- Assisted in configuring and fine-tuning the CrowdStrike solution to ensure comprehensive threat detection and response capabilities.
- Enhanced the organization's cloud security' posture by implementing advanced cloud protection features and conducting regular performance assessments.

Incident Response And Threat Hunting

- Analyzed and mitigated security incidents in the environment.
- Conducted proactive threat hunting exercises using a variety of security tools to identify potential threats before they could escalate.
- Implemented measures to prevent data breaches and strengthen the organization's security defenses.

RESEARCH PAPER

- Efficient Novel Cryptographic Algorithm To Improve Security, Taylor & Francis Group

ACHIEVEMENTS/AWARDS

- Employee Of the Month, Amazure Technologies **July 2023**

SOFT SKILLS

- Ability to learn and adapt quickly
- Excellent Teamwork Abilities
- Good interpersonal Skills
- Ability to work in fast paced environment
