PERSONAL PROFILE

Nationality : Indian

Marital Status : Single

Language Known : English, Tamil

Date of Birth : 25-08-1999

CAREER OBJECTIVE

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

PROFESSIONAL SUMMARY

❖ Currently pursuing internship at **Pumo Technovation** as a trainee design engineer. (AUG 2023 – CURRENT)

- Proficient in executing and producing drawings and 3D models using **CATIA V5**.
- Good exposure in interior and exterior trims using **CATIA V5**.
- Developing the surface with respect to the given master section.
- Quality check of the given A surface and draft analysis for deriving tooling directions.
- Generating solid model from the given A surface and creating engineering features in the plastic part.
- Analyses and report on manufacturing feasibilities of plastic components based on slider and lifter direction.
- Converting Non-parametric to parametric model (Remastering Engineering)
- Fair knowledge in Part design, Assembly design, Generating shape design.

❖ **AQUASUB ENGINEERING** (AUG 2021 – JULY 2022)

CNC MACHINE OPERATOR (GRADUATE ENGINEER TRAINEE)

- Arrange machine at the beginning of work procedures to ensure that everything is in order.
- Test the machine before the main work begins to be sure that its in good condition for production.
- Handling measuring instruments.
- To monitor quality of the output and perform periodic checks.
- Monitored machinery in operation to identify concerns and make corrections or report complex problems.
- Assuring the production parts are within tolerance and contain no defects.
- Basic knowledge about GD&T .
- Followed company policies and procedure including 5S.

Certified in PG Diploma in Quality Management (DQM).

SOFTWARE SKILLS

- CATIA V5 (Trims, Surfacing, Remastering, Drafting, Assembly, Part Modelling etc.,)
- Having knowledge in AutoCAD and Microsoft Office.

ACADEMIC QUALIFICATION

- **Dr. N.G.P. INSTITUTE OF TECHNOLOGY** (2017 - 2021)
Bachelor of Engineering in Mechanical.
- **S.V.N MATRICULATION HIGHER SECONDARY SCHOOL** (2017)
Higher Secondary School Certificate
- **NIRMALA MATRICULATION SCHOOL** (2015)
Secondary School Certificate

PROJECT

DESIGN AND DEVELOPMENT OF INTERIOR CAR DOOR HANDLE & INTERIOR CAR DOOR TRIM:

- A surface is given along with the master section.
- Initially checked error in A surface with main tooling direction by draft analysis.
- Created B surface with respect to A surface and given master section.
- Developed parting surface, converted and closed surface into a solid body.
- Created engineering feature and checked manufacturing feasibility with respect to given master section.
- Generate a parting line and slider direction for closed body and engineering feature.

DECLARATION

I hereby conclude that the information provided above is true and best of my knowledge and belief.
