Nandyal, Andhra Pradesh 518501

katikevijayyumkm_7br@indeedemail.com

+91 91823 70735

Dedicated and detail-oriented Software Tester with a proven track record of ensuring the quality and reliability of software applications. Skilled in conducting manual and automated testing, including Functional Testing, Unit Testing, Regression Testing, and API Testing. Proficient in using testing tools and frameworks such as Java with Selenium and TestNG. Adept at identifying and documenting defects, collaborating with cross-functional teams, and maintaining clear test documentation. Committed to delivering high-quality software products and enhancing the overall user experience. Seeking opportunities to contribute my testing expertise to innovative projects and drive continuous improvement in software development processes.
